Appointed Member of Auditing Committee.—Prior to adjournment of court on Tuesday the judges appointed Mr. Edgar B. Pennington, Jr., of the Second District, a member of the county auditing committee to succeed Mr. Thomas G. Wroth, whose term has expired. Mr. Pennington is a splendid selection. The case occupied the attention of the court and jury all day Monday and Tuesday morning, when a verdict was returned for Mr. Bowers. The case was a litigation over a strip of land 37 feet long and 8 feet wide. Alva Lamkin, Esq., of Baltimore, represented Mr. Bowers, while Garner was represented by Herbert E. Perkins, Esq. Court then adjourned.

Married Forty-one Years.—Thursday, April 30th, marked the forty-first wedding anniversary of Mr. and Mrs. Charles H. Jefferson. In the afternoon their children who live nearby visited their parents' home in the way of a surprise and brought with them a splendid supper which was served at five o'clock. The children present were: Mr. and Mrs. James R. Jefferson, Crumpton; Mr. and Mrs. William Baxter and family, Kennedyville; Mr. and Mrs. Harry Jefferson and family, Mr. and Mrs. Harry Tucker and family, Mr. Norman Jefferson.

Postoffice to be Moved.—Information has been received from reliable sources that the Postoffice Department has accepted the proposal to lease the corner store-room in the Lyceum Theatre building, for many years occupied as a drug store by the late C. F. Stam, for new postoffice quarters for Chestertown. An entire new equipment will be installed and the room renovated and refitted to provide modern conveniences and accommodations, making a strictly up-to-date office. The contract provides that the new quarters shall be ready for occupancy by August 1st.

Fine Farms Sold.—Three fine farms situated in the upper section of Kent county, belonging to the estate of the late Mrs. Albert Constable, were offered at public sale by the solicitors, William Pepper Constable, of Baltimore, and Henry Constable, of Elkton, on Saturday in front of the Court House door in Chestertown. A large number of bidders were present from Maryland and Delaware. The farm in the Second District, near Black's, tenanted by Mr. Charles E. Faulkner, and containing 288¼ acres was sold to Mrs. Minnie Baker, of Walcott, N. Y., for $18,010; the farm adjoining the Faulkner farm and tenanted by Mr. George C. Ladies' Improvement Association.—An important meeting of the Ladies' Town Improvement Association will be held on Wednesday next at 3 P. M., at the home of Mrs. W. Frank Jarrell. A full attendance of the members and friends of the association is desired as matters of vital importance demand attention. The ladies will continue their efforts in behalf of clean streets, and work in harmony with the commissioners in enforcing all ordinances looking to the cleanliness of the town. They note with pleasure the grading of the approach to the middle valley at the foot of Cross street, and they ask all people who have *good clean* ashes to haul them to that spot in order to prevent stagnant water from collecting in the valleys. The ladies contemplate a number of improvements during the spring and summer and this meeting is called for Wednesday afternoon to discuss these improvements.

NUPTIAL EVENTS.

WOOD—AHERN.

Asbury M. E. Church, Millington, was the scene of a beautiful wedding Saturday evening, April 25, when Miss Lura Ahern, daughter of Mr. and Mrs. John P. Ahern, was married to Mr. Philip H. Wood, Jr., of Wilmington, Del. The bride, who was given in marriage by her father was gowned in white satin trimmed in pearls and orange blossoms and wore a tulle veil. She carried a shower bouquet of white roses and lilies of the valley, and wore no ornaments but a ring of amethysts surrounded by diamonds, a gift of the groom. The maid of honor, Miss Clara Ahern, wore pink charmeuse and carried pink roses. Barnum and Baily Circus.

"The Greatest Show on Earth", the Barnum and Baily circus, will open at Baltimore May 6 and 7. The time honored custom has always been to refer to each successive year's circus as bigger and better than ever, but the phrase has been so hackneyed that this year Barnum and Baily hesitate to use it, despite the fact that they affirm it edequately describes the entertainment. There is material enough in this year's circus to make a dozen circuses of the old days. The stereotyped "grand entree" with which circuses were content to open their programme for many years has been permanently eliminated by the Barnum and Baily managers. This season the entertainment is opened with a romantic pageant and, "The Wizard Prince of Arabia."

Four hundred pretty girls, the most bewildering array of femininity ever assembled in a dramatic entertainment compose the corps de ballet. They are directed by Ottokar Bartik, maitre de ballet. Hundreds of horses, camels, elephants, sacred cattle, richly accoutred, are utilized in the programme of the spectacle.

The subsequent three-hour arenic performance which Barnum & Bailey give, breaks all records of the past. Every one of the five hundred participants is a champion in his own line. The exhibit of freaks is larger than ever before and the menagerie has been augmented. A month old giraffe is the aristocrat of the zoo.
