## Unusual Showing of Suits & Coats

Styles of Suits and Coats this season are very pleasing to the customer.

The Fur-Trimmed Garments are much in evidence and all are buttoned high to the neck. This makes the light weight, fine quality Suits, found exclusively at Jefferson's, all the more desirable. It is really a pleasure for us to sell these Suits and Coats made by STRAWBRIDGE & CLOTHIER, Philadelphia, and we know it will be a satisfaction for you to own them. We freely guarantee them in every respect.

Our stock is quite complete now for the rush which this cooler weather will bring on and we invite you to inspect our line before buying elsewhere. Competent judges of material and workmanship tell us that our prices are much more attractive than city prices.

We have some specials that are being sold at much reduced prices. One lot of this season's Black Coats at \$5.00 each.

## Wool Blankets and Quilts

**A Real Opportunity in Blankets**

Following our policy of offering to customers only the best thing obtainable in each line of merchandise, we have a surprise in store for those who do not know the remarkable warmth and strength to be secured in these low priced blankets.

**Nashua**  
Wool Nap Blankets

Though all cotton they have a deep, soft nap that isn't spoiled by wear and washing. Just the thing for the children as they won't tear out easily. Men like them as they're light and very warm.

We have them in plain colors and plaids with borders. No skipping on length—full sizes for all sized beds. All weights and colors.

*Be sure to see them here this week*

**\$1.50, \$2.00 & \$3.50**

## Fine Shoes a Specialty

**Why Do We Sell J. & K. Boots?**

Because they please more women than any others we can buy.

Women are shrewd buyers—not easily deceived. Why shouldn't we make friends by selling the best—instead of making enemies by carrying inferior goods.

J. & K. Boots are built on principle—and honest principle—and harmonize well with the golden rule idea on which our establishment is conducted.

Courteous, attentive service will be given you. We have a new and better line of CHILDREN'S SHOES.

## Fall and Winter Hats

The best in MILLINERY is to be found in our Millinery Department. The Hats here are exclusive in style, and in the better grade no two trimmed alike. The department is aglow with pretty things.

### IN THE CHURCHES.

Union Thanksgiving services will be held in the M. E. Church next Thursday morning at 10:30 o'clock. The sermon will be preached by Rev. Frank S. Cain, of Kennedyville Methodist Protestant Church, and the combined choirs of the M. E. and M. P. churches will render special music.

Chestertown M. E. Church—Rev. L. E. Barrett, D. D., pastor. Services next Sunday, Nov. 21, as follows: 10:30 A. M., preaching by the pastor; 2:15 P. M., Sabbath school and pastor's Bible class; 7 to 8 P. M., Epworth League song service and short sermon by the pastor. Prayer meeting every Wednesday evening at 7:30. All invited.

Christ Methodist Protestant Church, Dr. W. R. Graham, pastor. Services on Sunday, November 21, and preaching by the pastor at 10:30 A. M. and 7:30 P. M.; Sunday school 2:30 P. M.; Christian Endeavor service 6:45 P. M. Mid-week service Thursday evening at 7:30 o'clock.

Services at St. James' for Sunday, Nov. 21st, as follows: Sunday school at 9:45; preaching at 11; Christian Endeavor at 7; special evangelistic services at 7:30 P. M. The evangelistic services have been in progress during the past ten days. The pastor has been assisted with the services by Rev. E. L. Bunce, of Marion, Md.

### Rock Hall Items.

Mr. Nathan Satterfield dug eight ponds of potatoes from one hill, some of which measured six and seven inches. If there is any one in the county who has had such a yield he would like to hear of it.

Mr. Russell, of Chestertown, was in Rock Hall last Wednesday to finish the installation of the class room and recess bells in the new High School building. The mechanics had their annual dance in houses nearby ran to the doors to see what the noise was made by. Pupils will be able to hear these from nearly every part of the town.

John Hubbard has moved into his new store on Main street adjoining the post office. He has a very attractive store. The mechanics had their annual dance for the benefit of their members and friends last Wednesday night. The music was good and they had a large attendance.

The show held in Mechanics hall last Friday and Saturday nights was very good. The Frederick Amusement Co. was the attraction. It was appreciated by all who saw the show. Mr. Frederick will return at an early date with a minstrel show.

The oyster business is very slow. At present they are bringing but twelve cents.

Last Sunday evening Rev. Dr. Becham, of Wilmington, preached at the M. E. Church. Mr. Becham is a very able minister and handled the subject eloquently. He is a great advocate of educating the foreign element who can not attend day schools and are not in a position to employ instructors. He has established such a school in his city supported almost entirely by subscription, and his visit was mainly in the interests of this cause. The weather was bad and a small congregation was out, so he made no attempt to raise money in this town.

Next Friday night the Patriotic Sons of America will hold a meeting open to the public. Prof. Griffith, of Centerville, will be the speaker of the evening. This meeting is to create more interest in the order and get more members. Mr. Griffith is the Scout Master of the Centerville troop of Boy Scouts and an able speaker. Don't miss the treat of hearing him.

Mrs. Ida Thompson will open a lunch room in the place now occupied by Mr. Hayward Ashley, the first of the year. Mr. Ashley has conducted a lunch room here for a number of years and has established a good trade. The work is too confining, he will engage in outdoor work.

The manual training department of the Rock Hall High School has made a novel and interesting piece of equipment for the primary department to take the place of the old-time sand table. This consists of a quadruplex theater mounted on a table. The theater is arranged just the same as a large one and will be set with cardboard scenes to illustrate school work. There are no end of possibilities in using this means of presenting work in a manner that here-to-fore required several periods to arrange for with the sand table. This can also be used by the higher grades for dramatizing poems and other English work. It has created much interest among the pupils.

### Kennedyville Items.

The Kent County Pomona Grange held its quarterly session in the assembly room of the new school building on Saturday last, with quite a large number of Grangers present. Bro. Wm. G. Smith, of Fairlee, Master of Pomona Grange, presided, and all business was speedily transacted which occupied the attention of all during the morning session. At 12 o'clock noon an invitation was extended to all to come to the hall of Mr. Joseph H. Weer, where they found spread in an appetizing way those things for which Kent county is famous. The Grange was called to order again at 2 P. M., when election of officers were held and necessary committees appointed, after which the doors were thrown open and friends invited to attend the lecture tour, which was a delightful occasion and much enjoyed by all, at the close of which supper was served to all. At 7:30 the Grange was opened again and quite a number were initiated in the fifth degree. Thus ended a delightful day with nothing to mar the pleasure of anyone who attended.

An agreement was reached one day last week between the school building committee and the contractor, whereby the building was handed over, and now just as soon as the commissioners have the toilets and water put in the building will be ready for permanent occupancy.

Miss Nellie Othosen spent a few days with relatives at Middletown, Del.

Mr. Rash, of Worton, with Revs. H. B. Jester, of Queen Anne's, and E. L. Bunce, of Marion Station, Md., were callers at the M. P. parsonage on Friday last.

Mrs. James Cain was called to Centerville on Saturday last on account of the serious illness of her mother, Mrs. Minner.

At the recent Boy's Corn Contest, held at the Centerville Fair last week, Arthur Potts, son of Mr. Bud Potts, of Rich Neck, Queen Anne's, won second prize for the county, his yield for the acre being 100 bushels and 56 lbs. Young Potts had the best yield of any grower in Rich Neck, and besides having the honor to represent his county at the Baltimore show, he was awarded a fine Guernsey bull calf by Miss Sue Williams, of Queen Anne's county is represented by six boys at Maryland Week, while Kent county hasn't a boy representative. What a reflection upon Kent county?

Owing to the heavy wind on Monday afternoon the Tolchester boat was unable to land at Tolchester, and passengers were landed at Betterton.
