

The Transcript

R. H. COLLINS, T. D. BOWERS EDITORS.

THE Bull Moozers will nominate a full ticket in the presidential campaign and President Roosevelt is being urged to accept first position on the ticket.

IT WOULD not be a bad idea if the Goodnow commission would recommend a constitutional amendment providing for a session of the Maryland Legislature only once in four years. This would save the State some \$200,000 every other two years.

MR. R. HYNSON ROYERS, one of our prominent young lawyers, is being strongly mentioned as the next Police Justice. His selection will be an eminently wise one because of his fitness for the position, and his ability to discharge the duties of the office.

HON. WILLIAM CABELL BRUCE, accompanied by his secretary, Mr. Gorman, was in Chestertown on Wednesday in the interest of his candidacy for the United States Senate. Mr. Bruce met a number of leading Democrats, and spoke encouragingly of his prospects.

THE hand of death has smitten our community this week. Two of our most prominent citizens, William E. Moody and J. B. Burchinal, have been called to their long home, and Mrs. Samuel L. Wright, a former resident of this town, has answered the summons in California.

AFTER 18 consecutive years of faithful and honorable service in the office of clerk of the circuit court, Mr. James T. Dixon retired to private life on Tuesday. Mr. Dixon has made one of the very best officials the county has ever had. He retires with the respect and esteem of everyone, and his faithful public service has surely earned for him a happy and contented private life.

THE Baltimore City News quoted somewhat at length on Monday evening from the letter of Hope H. Barroll, Esq., in the Transcript last Saturday, and stated that Mr. Barroll dealt some sledgehammer blows. "But," concluded the City News, "it seems that the get-together movement in Kent has struck a large snag."

WE SERIOUSLY regret to lose the services of such valuable public servants as the outgoing county commissioners—Messrs. W. Fletcher Melvin, Harry Nicols and Thomas C. Roe. These gentlemen have labored assiduously for the very best interests of the tax-payers of the county, and they have given their best efforts in behalf of the people who elected them. They leave the commissioners office with the respect, esteem and confidence of every one and leave for their Republican successors a legacy of an excellent administration. Likewise, with the Judges of the Orphans' Court, the Register of Wills, the Clerk of the Circuit Court, the Treasurer and Sheriff. Every official has done his full duty to his constituents and leave their respective offices with the satisfaction of having done their duty. We wish for their successors the very most successful administration. They are all men of the highest character and fitness, and they will no doubt administer the affairs of their offices in the interest of the people at large regardless of party. We look for the same care and economy in the administration of the county's affairs as has characterized the past administration.

Mortgagee's Sale OF VALUABLE REAL ESTATE IN KENT COUNTY, MD.

UNDER and by virtue of the authority and power of sale contained in a mortgage from Simon Grollman and Bessie Grollman to Caroline L. Hynson, dated December 30, 1910, and recorded among the Land Records of Kent county, in Liber J. T. D., No. 22, folio 488, etc., the undersigned, as attorney for mortgagee, will offer at public sale in front of the Court House Door, in Chestertown, Maryland, on

TUESDAY, DECEMBER 28th, 1915, AT 11:30 O'CLOCK A. M.:

No. 1--All That Tract of Land

situated in the Third Election District, on the public road leading from Hanesville to Rock Point, lying on Chesapeake Bay, and called or known as "Upper Worton Point Farm," adjoining the lands of the heirs of the late Thomas Grollman, and containing

323 Acres

OF LAND, more or less, being the same land which was conveyed to the said Simon Grollman by Angeline S. Skirven by deed dated July 24, 1893, recorded in Liber J. T. D., No. 11, folio 485, except ten acres conveyed by said Grollman to Perry Barroll, et al., by deed dated October 11, 1906, recorded in Liber J. T. D., No. 14, folio 216, etc.

Three-Story Dwelling

in good condition. HOUSE and LARGE OUT-BUILDINGS sufficient for purposes of the farm. Also, by NEW AND UP-TO-DATE CANNING FACTORY on water's edge, with deep water at hand. The soil is good, of medium quality and well-adapted to the growth of fruits and vegetables as well as grain and hay.

No. 2--All That Tract of Land

in the Third Election District known as "Lower Worton Point Farm," also on the Chesapeake Bay, and adjoining "Upper Worton Point Farm," containing

310 Acres

TWO ROADS and FOURTEEN PERCHES OF LAND, more or less. Being the same tract of land that was conveyed to said Simon Grollman by Joseph G. Valliant and wife by deed dated October 11, 1906, recorded in Liber J. T. D., No. 14, folio 216, etc.

Three-Story Dwelling

and LARGE OUTBUILDINGS suitable for the purposes of the farm. Soil is also of excellent quality and grows large crops of cereals and other things. It is approached by right of way from main road through the "Upper Worton Point Farm."

These farms are in a fine neighborhood, about ten miles from Chestertown, the county seat, and 2 1/2 miles from Gale's Wharf and Worton Manor, from which points steamboats ply to and from the city of Baltimore.

They are convenient to public school and church, and deep water of the bay runs close in by their shores, where all produce may be shipped to the city. They occupy most beautiful sites on the bay about 5 miles above Tolchester and below Betterton, and not more than 20 miles to the city of Baltimore. Fine passenger steamers pass them daily to Baltimore and Philadelphia.

They are fine and attractive simply as farms, and to persons of means seeking situations on the water, they are probably unequalled in the State, and their sale affords an opportunity rarely presented.

TERMS OF SALE: One-third of the purchase price to be paid in cash on day of sale, and the balance in two equal installments, payable in one and two years from day of sale, or all cash, at the option of the purchaser. All unpaid purchase money to bear interest from day of sale and to be secured to the satisfaction of the undersigned. All title papers at expense of purchaser.

WILLIAM M. SLAY, ATT'Y.

THE Maryland Legislature should play fair with the interests of Baltimore city, and give the people of the city what they are demanding. Baltimore is the largest and most important asset in our body politic. Its development and progress, due to the sagacity and business ability of Mayor Preston and his administration, require an enlargement of its boundaries, and the Maryland Legislature should not allow politics to interfere with the development of the great city which should be a source of pride to every man in the State.
