REVENUE STAMPS ON NOTES

The new War Tax internal revenue law provides that on and after December 1, 1914, every promissory note and every renewal thereof, shall have attached to it a revenue stamp or stamps of the value of 2c, for each \$100 or fraction thereof. The person using or affixing the stamp must write or stamp thereon, the initials of his name, and the date upon which the same shall be attached or used.

EXAMPLE

A note for \$100 or less will require a two-cent stamp.
A note for over \$100 up to \$200 will require four cents in stamps.
A note for over \$200 up to \$300 will require six cents in stamps. Each additional \$100 or fraction thereof will require two cents, whatever the amount of the note.
Each note or check protested will be subject to a stamp tax of twenty-five cents, in addition to the regular protest fees.

IF YOU HAVE MONEY which is only paying you 4 per cent, and desire to invest in land which is a safe and sure investment with every prospect of increasing in value, you should send for my list of farms, containing the most desirable farms in the upper Eastern shore of Maryland. For 10 years I have had the privilege of offering for sale some of the best properties in the two counties and the below properties have no equal for their price.

15 Acres, three miles from Worton, near the water. three or four acres in woodland, 6-room dwelling for \$1000. A great bargain.

I HAVE FOR SALE—Mrs. Pearl Boggs' home on Queen street, occupied by Mr. Samuel Hicks, of eight rooms. This section is daily improving, and this property can be bought at a bargain.

EVEN

The boy—the unassuming boy, the unsuspecting, confident, unsophisticated boy, is rapidly learning where to come and hand over his confidence and have his Suit or Overcoat made by dealers who have a reputation built by meritorious trading. The boy is learning his lesson by comparison with those WE'VE been serving, and they're pinning their faith to people with a favorable history.

The more mature in years are not so susceptible, and having the advantage of past experiences, have learned our way of trading some time ago. This class have been coming to us from the beginning.

Our trade is increasing daily from the fact—we have shown a large percentage the superior qualities in fabrics and workmanship.

No large upkeep is the reason. Think this over and come see for yourselves.

Respectfully,

W. E. MOODY,
Special Representative for Kent and Queen Annes Counties of the International Tailoring Co. of New York, Chicago and London.
