Corn Shellers!

We bring this very necessary implement to your attention again. We have the small Sheller that fastens on a box and separates cobs and corn for \$1.50, then a one-hole Sheller at \$4.00; and we can supply the largest Sheller made on short notice. We have a specialty in Shellers, and it is our two-hole Roller Bearing Sheller, with cleaner and separator. Has fly wheel for hand use and belt wheel if power is required. Last year we sold 14 of these Shellers. Have them in stock now, and if you are even thinking of having use for a Sheller of this type, come and see it.

Feed Mills!

We have sold so many "NEW HOLLAND" Feed Mills, and have been selling them for so many years, it seems hardly necessary for us to do more than to call your attention to the fact that we carry them in stock. When we say there is no better Mill made, we know it cannot be successfully contradicted. Even its competitors admit it is the best Mill on the market. We have one 6-inch plate as low as \$12.00, and then the 6 1/2-inch and 8-inch sizes are here ready for your order.

Yours to serve,

Davis & Satterfield,
