EYE DON'TS

DON'T buy glasses as you would hats; they should be fitted by some one who understands the anatomy of the eye.

DON'T wear other people's glasses.

DON'T allow some cheap fakir tamper with your eyes in most cases they get the money—you the experience.

DON'T use your eyes after you discover that you have to hold your book or sewing at a greater distance than usual, this is the first symptom of eye strain.

GRANGE NOTES

Some one said (and I won't say who) That Still Pond Grange was dead! "How sad," thought I, "it can't be true, 'Tis camouflage," I said.

Those who attend are the ones that KNOW.
The ones who stay home just talk. Get both gangs together, all will go for a spread. I know none will balk.

So to-day, you see, is home coming day!
And Still Pond extends to all Whose names were ever upon the books
An invitation to call.
And if you find it really is dead, Prepare to attend "a wake,"
And when you leave, you'll know for sure,
As a corpse, she takes the CAKE!

Services will be held Saturday, Jan. 12, at 3.30, Mrs. Harvey B. Moore in charge. Kindly omit flowers (but bring sandwiches).

FEED MILLS

The high price of feed makes it necessary that you make it go as far as possible. You cannot find a better way than by grinding it. NEW HOLLAND FEED MILLS have been sold here so long they only need that we mention them. They have the largest grinding capacity of any mills on the market. We have them in several sizes, and the prices are very little more than last year. They can be run with as small as 1 1/2 horse power and up.

WOOD SAWS

We made an early purchase of Saws and they are now in. We want to give you the benefit of our early buying. These Saws have 26-inch Blades which are the standard sizes. We advise early buying as the price will be higher when present stocks are exhausted.

We can furnish you power to run these machines with. We have a large line of OIL ENGINES to run these Machines with.

Don't use your large engine to run your pump with, it is too expensive. Buy one of our 1/2 H. P. ENGINES WITH MAGNETO they don't need any batteries. complete \$48.00. See our line.
