Judge for Yourself.

Which is Better—Try an Experiment or Profit by a Chestertown Citizen's Experience.

Something new is an experiment. Must be proved to be as represented.

The statement of a manufacturer is not convincing proof of merit.

But the endorsement of friends is. Now supposing you had a bad back, a lame, weak, or aching one. Would you experiment on it? You will read of many so-called cures. Endorsed by strangers from far away places.

It's different when the endorsement comes from home.

Easy to prove local testimony. Read this Chestertown case.

Mrs. James S. Locates, High St., says: "Some three years ago, I suffered from kidney trouble and a very painful backache. My kidneys acted irregularly, causing great annoyance. I had black spots before my eyes and dizzy spells and suffered severely from shooting pains through the small of my back when I bent over. I finally used Doan's Kidney Pills and soon got relief."

Price 60c., at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Locates had. Foster-Milburn Co., Mrs., Buffalo, N. Y.
