Last Clearance Sale of High Shoes

During the next two weeks, we will give special prices on all small lots of shoes so as to move them out quickly in order to make room for the new Oxfords and pumps which will soon be on hand.

We will make prices sufficiently interesting for you to buy a pair, even for future use. Styles of shoe, for next winter, most likely will be about the same as this winter's styles, especially if this horrible war is still on.

This is a chance for you to save several dollars.
