## BUY LIBERTY BONDS THE THIRD NATIONAL BANK OF CHESTERTOWN, MD.

### BUY LIBERTY BONDS.

In no other way can the average citizen so greatly help his Country in this time of National crisis. Across the seas our armies and our fleets are prepared to play their part in the great war for Liberty and Democracy. Here, at home, it is the solemn patriotic DUTY of all of us to back them by every means in our power and to give them MORAL, FINANCIAL and MATERIAL support.

The money you invest in Liberty Bonds goes to provide our boys with clothing, food and equipment. It goes to buy shells for our artillery—the shells that save soldiers' lives. It goes to buy aircraft—the eyes of the army and fleet—without which the greatest military or naval forces are helpless. It goes to bring us victory. It goes to further a just and victorious peace.

Every Citizen should buy Liberty Bonds to the limit of his ability. This is at once a Patriotic Duty and act of self-interest. For the Liberty Loan to fail would be as disastrous to our Country and to us all individually as the defeat of our armies in battle. We urge your subscription to Liberty Bonds and will welcome your application through this Bank.

These Bonds are as good as currency and bear interest at the rate of 4 1/2 per cent. This Bank now owns \$119,000.00 Liberty Bonds of former issues and will beyond doubt do its share in this campaign.

## KEEP Your Kodak BUSY

"The Army lives on letters" is the way the boys at the front put it. And when those longed-for envelopes with the home town postmark contain pictures of the hoem folks and home doings, they go far toward making lighter hearts and happier faces.

Keep your Kodak busy for the sake of the lads in the trenches, the boys in camp and on shipboard. Help keep tight the bonds between the home and those who are fighting for that home.
