Thrift Stamp and War Savings News

The Government of the United States has requested every man, woman and child to buy THRIFT STAMPS.

We have over 16,000 people in the county. Let everyone buy one Thrift Stamp (25c.) between April 22nd and April 27. We will then have an army of 16,000 organized in Kent County.

Let us answer the appeal of our country. Let us make our report to Washington on May 1 that "Old Kent" is in the fight to the limit. Everybody get busy.

The boys and girls of the public schools are doing wonderful work. Each teacher is requested to make a big drive this month and report the results to the Supt. of Schools.

Grange Notes

Fairlee Grange held its special meeting Wednesday, April 17. Supper was served at 7 o'clock. We all enjoyed having Mr. and Mrs. James Beck, Mrs. Robinson and Mr. Turner take supper with us. As one Granger remarked, "I enjoyed my supper more by having these visitors with us." After supper Mr. Harry Willis (chairman of the Thrift Stamp Club) gave us a very interesting and forcible talk on the buying of stamps. Mr. Turner explained the meaning of buying stamps, also the progress the different towns were making. Then our chairman got to the real business of the evening—the buying of Thrift Stamps. Fifteen persons pledged themselves for one hundred dollars, 16 for fifty and quite a few for twenty-five dollars. We all felt that Mr. Willis was in the right place and had done a good evening's work for Uncle Sam. The whole amount pledged was a little over \$2700. Am quite sure the pledges would have been a third more, but our crowd was very small, owing to weather conditions.

We started our program with America and ended it with the Battle Hymn of the Republic. Next Wednesday some important features of farming are to be discussed.
