ARE YOUR KIDNEYS WELL?

Many Chestertown People Know the Importance of Healthy Kidneys. The kidneys filter the blood. Well kidneys remove impurities. They work night and day. Weak kidneys allow impurities to multiply. No kidney ill should be neglected. There is possible danger in delay. If you have backache or urinary troubles, if you are nervous, dizzy or worn out, Begin treating your kidneys at once. Use a proven kidney remedy. None endorsed like Doan's Kidney Pills. Recommended by thousands. Proved by Chestertown testimony. Mrs. Mary C. Frazier, High street, Chestertown, says: "About three years ago, I suffered from my kidneys and backache. At times I had dizzy spells and saw black spots before my eyes. My back ached terribly when I had to bend over and my kidneys didn't act right at all. I surely was feeling miserably until I began using Doan's Kidney Pills, procured from the Stam Drug Co. I took two boxes and had great relief."

BONES AND BAGS. On account of the war many of our supplies of Bones have been cut off, and in order to get all the nice dry country bones possible, we have determined to pay about twice as much for dry bones as we used to pay, if they are delivered at our factory. The country boys should pick up all they can and bring them to us instead of selling them to the junk dealers. We will also pay the highest market price for good second hand Fertilizer Bags. Please communicate with us. Very truly yours, The Peerless Fertilizer Co., CHESTERTOWN, MD.

Everyone who creates or cultivates a garden helps, and helps greatly, to solve the problem of the feeding of the nations.—President. Why Don't You and the Kiddies Have a PARKO Garden This Year? Planting Parko Seedtape is so easy—so simple that children can get expert results with it. No measuring—no guessing—just plant a whole row at a time. After placing the tape in the furrow—pour water into the furrow and after water has seeped into ground—cover with earth. The seed is contained in the paper tape which absorbs and holds the moisture around the seed—insuring the highest possible germination. With Seedtape you get straight rows of evenly spaced plants. Parko Seeds are grown from prize winning strains—under the direct supervision of our seed experts. They are the best quality obtainable, thoroughly tested and carefully selected. With Parko Seedtape you get a more even stand—a more luxurious growth, a better garden than you've ever had before. Sterling's Pharmacy, Chestertown, Maryland.
