We Do Not Issue a Catalogue

of our stocks, for the very good reason that styles change so frequently that it is not practicable to do so.

But, by addressing an inquiry to our Mail Shopping Service, you can get full and accurate descriptions and prices of any merchandise in our store.

For instance, if you are considering the purchase of a new blouse (the approved term for a woman's waist), a postal or letter from you will be answered by us, giving the prices and styles of the blouses of the material you prefer. If there is some hard-to-get shade that you have in mind, it is safe to say that we have it among our stocks.

Perhaps you are wondering of what fabrics the new frocks should be made? We will gladly send samples of the most favored materials, if you state whether you want silk or cotton fabrics.

And so our shoppers by mail find it easy to secure satisfactory service by dealing with Baltimore's Best Store.

May we be of assistance to you in solving your shopping problems?

TEN REASONS WHY

You Should Have a

IN YOUR HOME

Health, Comfort and Convenience.

1—The Caloric conserves health by keeping an even temperature of circulated, moist, warm air throughout the house.

2—Heats from one to eighteen rooms with only one register.

3—Requires only a minimum amount of space. No pipes to obstruct the cellar.

4—Keeps the dust and dirt of fuel and ashes out of the house.

5—Does not heat the cellar, thereby permitting the storage of perishable products in the basement.

6—Maintains the proper fire with very little attention. All drafts regulated from floor above.

ECONOMY.

7—Reduces coal bills. No heat is lost through radiation in the basement and walls. Every pound of fuel consumed delivers a maximum amount of heat directly to the rooms.

8—Can be installed in old buildings without the necessity of costly remodeling. Can be placed in new buildings with less trouble and expense than any other type of furnace manufactured.

9—Its low cost places it within the reach of thousands of home owners who have previously been forced to rely upon inadequate stove heating.

GUARANTEE

10—The Caloric Patented Pipeless Furnace is manufactured and guaranteed by The Monitor Stove and Range Company, an organization which has been making and selling heating appliances for 98 years. The Monitor Ironclad written guarantee, that is given with every Caloric Pipeless Furnace, insures satisfaction to the purchaser.
