**W. C. NOTES**

Sergeant M. S. Dolbey, '18, has accepted the principality of Ingleside school.

Corporal C. S. Adkins, '18, is filling out the incomplete school year of Millington High School.

The following promotions have been made in the cadet corps: A. J. Wilmer from sergeant to captain; H. F. Hollinsworth from sergeant-major to second lieutenant; D. A. McGinnes from sergeant to first lieutenant; John Gibbons from corporal to sergeant; sergeant of buglers, W. P. R. Straugh from bugler to sergeant; buglers, E. M. Twilley from corporal to sergeant-major.

The cadets marched down to the wharf last Monday morning to see the drafted men of Kent county leave for Camp Meade. Among them were Cadet H. F. Caldwell, Daniel H. Hall and James M. Cain. Cadet Caldwell, one of the finest and cleanest young men at the college, left with a fine spirit and his fellows were proud to have such a representative in Camp Meade, but back of it all he has left many of the cadets with a deep feeling of regret for his absence. Mr. Cain, Dr. James W. Cain's son, left his employment with the "Sun." Dr. Hall made a great sacrifice for the "Stars and Stripes" by giving up his only son to Uncle Sam.

The baseball game played with Western Maryland College last Saturday, May 25, was lost by the score of 3 to 2. Our team displayed much more skill than our opponent, but one or two of our players, unfortunately, were not in good shape for this particular game and made too many errors for us to have the victory. The tennis tournament played on the same day with them was won by our players.

Examinations will begin on Monday, June 3, and end on Tuesday, June 4.

The registration of June 5 will include a number of Cadets, who will in a few months be on the honor roll of Washington College on account of being in Uncle Sam's service. The College has very liberally contributed to Uncle Sam's army and navy in the conflict against the Kaiser.

**German Females Must Register.**

All natives, citizens, denizens or subjects of the German Empire or of the Imperial German Government, being females of the age of 14 years and upwards, who are within the United States, and not actually naturalized as American citizens, are required to register as alien enemies at the post office from which they receive mail, between the dates of June 17th to 28, 1918, both dates inclusive, between the hours of 9 a. m. and 5 p. m. This registration at postoffices applies to non-urban districts and does not apply to Balto. City, Annapolis, Cambridge, Cumberland, Fredrick, Frostburg, Hagerstown and Salisbury, where other places of registration are named by the respective Chief Registrars for those cities.

Persons required to register should understand that in so doing they are giving proof of their peaceful dispositions and of their intention to conform to the laws of the United States.

Each registrant is required to furnish unmounted photographs of herself, not larger than 3 by 3 inches in size, on thin paper, with light background. All four photographs should be signed by the registrant across the face of the photographs, so as not to obscure the features, if the applicant is able to write.

Three blank forms of registration affidavit must be completely filled out by the registrant or her representative and must be produced by the registrant personally to the registration officer, the local postmaster, and be signed and sworn to by the registrant in the presence of and before the said registration officer.

The registrant is hereby informed that she must again present herself before the registration officer who took her oath 10 days but before 15 days from the last day fixed for registration in her registration district to obtain a registration card.

**When, How and Where Boys of 21 Must Register**

**Who Must Register.**—All male persons (citizens or aliens) born between June 6, 1896, and June 5, 1897, inclusive, except officers and enlisted men of the Regular Army, Navy and Marine Corps, and the National Guard and Naval Militia while in Federal service, and officers in officers' reserve corps and enlisted men in enlisted reserve corps while in active service.

**When.**—On Wednesday, June 5, 1918, between 7 a. m. and 9 p. m.

**Where.**—At Court House in Chestertown, Kent County, if a resident of this county.

**How.**—Go in person on June 5 to the Court House. If you expect to be absent from home on June 5, go at once to the office of the local board and they will tell you what to do. If you are sick on June 5 and unable to present yourself in person, send some competent friend. The clerk may deputize him to prepare your card.

**Information.**—If you are in doubt as to what to do or where to register, consult the local board for Kent County, composed of Messrs. Sydney P. Townsend, J. T. Hadaway and Dr. Charles W. Whaland, or Herbert E. Perkins, Esq., Secretary to the Board, who will give you all the information necessary.

**Penalty for Not Registering.**—Failure to register is a misdemeanor punishable by imprisonment for one year. It may result in loss of valuable rights and privileges and immediate induction into military service.

—Adj.-Gen. H. M. Warfield estimates that Maryland will have contributed over 31,000 men to the military and naval establishments of the country by the end of the first week in June.

An alien enemy required to register who shall, after the date fixed for the issuance to her of a registration card, be found within the limits of the United States, its territories or possessions, without having her registration card on her person, is liable to all the penalties prescribed by law.

**CHURCH NOTES.**

The life of an American soldier was saved by a Bible that stopped a bullet. While scoffers may claim that a pack of cards would have served as well, it is pleasing to old-fashioned folks to know that some of our boys go into battle fortified with a Bible.
