THE sinking of American ships off the New Jersey and Delaware coast the past week bring to our very doors some of the horrors of the world war.

ATTORNEY-GENERAL ALBERT J. RITCHIE, of Maryland, has been appointed counsel to the War Industries Board at Washington and has accepted the appointment.

WAR SAVINGS STAMP DRIVE

We cannot urge too strongly upon our citizens the importance of buying War Savings Stamps. The Government needs your money to finance the war and it offers you these War Savings Stamps at a good rate of interest and gives you the best security in the world for your money.

Meat Programme of the Food Administration

We need for shipment to our Army and our Allies about 75,000,000 pounds of meat and meat products per week.

The Food Administration is anxious, if possible, to avoid the necessity of re-establishing meatless days and meals, and therefore, urges us to practice a rigid economy in our consumption of all kinds of meat and poultry, and especially beef.

EDWIN G. BAETJER, Federal Food Administrator for Md.

Practical courses or elective studies. Reasonable rates. Satisfaction guaranteed. Students enter at any time.

Why not arrange for a special course this summer? You will never regret time or money invested in practical training, and this extra effort on your part will go farther than you think toward helping to win the war.

Boggs, duly executed, acknowledged and recorded among the Land Records of Kent County, Maryland, I will offer at public sale in front of the Court House Door in Chestertown, Kent County, Maryland, on

TUESDAY, the 25th Day of JUNE, 1918

ALL THAT FINE FARM

situated, lying and being on the south side of the Public Road leading from Chestertown to Crumpton,—known as the "Ginn Farm" or "The Boggs Farm"—Containing 301 Acres of Land, more or less.

This magnificent estate is one of the most productive in Kent County. It lies along the shores of Chester River. The soil is a rich loam, fine subsoil, and yields fine crops.

The farm is especially adapted to the growth of grain, grass and stock. There is an apple and pear orchard of 300 trees. It is under good fencing and has a splendid meadow.

This farm lies two miles from Crumpton and is only 1.2 mile from school and five miles from railroad station. It is eight miles from Chestertown, and adjoins the lands of the late Alday Clements.

The buildings consist of a nearly new 9-room frame dwelling with water in the house. Few farms in Kent equal to this are so splendidly located and likely to be on the market.

It will return an excellent interest to the purchaser and is one of the most desirable places upon which to make a home and reside in Kent.

Mr. William D. Boggs, at Crumpton, will take pleasure in showing the farm to any intending purchaser. Possession will be given January 1st, 1919, and the purchaser will have all the rights of an incoming tenant to seed wheat, prepare the grounds, etc.

TERMS OF SALE.—One-third of the purchase money cash on the day of sale and the balance to be secured by note or notes of the purchaser, payable in one and two years from the day of sale. All unpaid purchase money to bear interest from day of sale. The purchaser gets no part of this year's crops. All title papers at cost of purchaser.

At Private Sale

I will sell at private sale all that farm known as "The Wethered Turner's Creek Farm," lying in the Second Election District, on the waters of Turner's Creek and the Sassafras River. This farm contains about 300 acres of land, and is one of the most beautiful locations in Kent County.

The water view from the dwelling is unsurpassed, broken by the hills of Kent and Cecil County, while the land is a medium loam and easily responds to cultivation and improvement. It yields fine crops of grass, hay, wheat, corn, tomatoes and asparagus, for which the soil is extremely well adapted. The frame dwelling is situated on a rolling eminence, enjoying a commanding sweep of the surrounding country. The waters abound in fish and wild fowl. The farm shores are noted as being one of the best duck and gunning places in Kent County.

TERMS OF SALE—\$15,000, possession given Jan. 1st, 1919. The place is now occupied by Mr. Ralph W. Shalkcross, who will take pleasure in showing it to any intending purchaser. One-half the purchase money may remain on the farm at 5 per cent for either 5 or 10 years at the option of the purchaser.

BIG WAR SAVINGS DRIVE

IN KENT COUNTY

May 30th--June 9th.

Kent's Allotment is \$339,140

\$200,000 of which is to be raised at this time by the sale of War Savings Stamps—(Baby Bonds.)

We need in the county, at this time, to complete this drive.

50 Subscribers for \$1000.00.....\$50,000.00

100 Subscribers for 500.00.....50,000.00

200 Subscribers for 250.00.....50,000.00

500 Subscribers for 100.00.....50,000.00

These subscriptions can be paid any month in the year, or by the month, through any bank, postoffice, or school.

IN MAY: \$1000.00 worth of Bonds would cost.....\$834.00

500.00 worth of Bonds would cost.....417.00

250.00 worth of Bonds would cost.....208.50

100.00 worth of Bonds would cost.....83.40

These Bonds pay 4 per cent interest, compounded four times a year and are payable in gold by the U. S. Government Jan. 1st, 1923.

War Savings Stamps, or Baby Bonds, are always worth their face value and do not fluctuate.

The Best Investment in the World.

Lend Your Money to the Government and Help Win the War.

Subscriptions do not call for cash at once, but at your convenience, any time during 1918 that your crops come in, or any time during 1918 it suits the investor.

The question to consider is simply this: Suppose the Secretary of the Treasury, Mr. W. G. McAdoo, should visit this county for ten days and call upon the citizenship to lend the U. S. Government their money, Mr. McAdoo would simply have to say to Mr. John Kent, "Will you lend the Government \$1000.00 (we need it) from your present savings or your earnings of 1918?"

The answer would be quick and patriotic, "Certainly, Mr. Secretary." Let us look at the matter in just this light.

Be ready when the time comes. Let 1000 patriotic men, women and children in Kent County back the Government in this sale and the Campaign will be over.

Meetings will be held May 30-June 9, all over the county. The county will be canvassed from one end to the other.

The Banks, Business Men, Farmers and Schools will give active support to the drive and will be selling agents for the Treasurer of the United States.

The people are simply asked to lend their money to the Government on the most favorable terms.

Back the Government and make taxation unnecessary.

Papers next week will have more particulars and explain our plan of campaign fully.

MEETINGS SCHEDULED SO FAR
