LOCAL MATTERS

Strawberry Season About Over in Kent.—The strawberry season in Kent county is about over. The season has been a short one this year, due to the extremely hot weather, which caused the berries to ripen quickly.

New Order For Men in First Class.—The first-class men in Kent who were exempted temporarily because of a slight physical defect may be called to do service shortly. The Kent Board has received notice from the government to send a list of these men, which in Kent number 22.

Mr. Beck Begins His New Work.—Ex-Senator W. W. Beck, of Chestertown, on Monday entered upon his new duties as a member of the State Tax Commission, to which he was appointed by Governor Harrington a few weeks ago. He succeeds Lewin W. Wickes, also of Kent Co., as we have heretofore mentioned.

Pea Crop A Failure For Some Farmers.—The pea crop in Rich Neck is a failure for some of the farmers, who may lose the whole crop. It seems that the peas grew nicely until the pods began to form and then turned yellow and began to shrivel. Mr. C. J. McKee will lose nearly his entire crop, while Mr. Lemuel Powell's crop will do fairly well. Mr. W. O. Anderson and some of the others expect a fair crop.

Men Will Be Watched.—Men of selective service age who leave the U. S. to evade military duty will have to stand trial on charges of violations of the selective service act when they return to the country, according to the Department of Justice, even though they do not return until after the war. The department has at hand information from which complete lists may be prepared of all men who have left the country to avoid service, says a recent statement authorized by the Attorney General.

A W. C. Student Falls in France.—Mr. "Tough" Moore, a former student of Washington College, and well known here, died in action in France last week. Particulars unknown.

Matinee For Red Cross.—A big racing matinee for the benefit of the Red Cross of Kent and Queen Annes counties will be held at the Radcliffe Driving Park next Saturday.

Lieut. Kibler May Lose Finger.—Lieut. J. Thomas Kibler, who was wounded some months ago by a Hun bullet, may lose a finger as a result of the same. Lieut. Kibler is now in the thickest of the fight on the battlefield of France.

Public Sale Of A Fine Farm.—Mr. W. B. Copper, under power of attorney, will sell at public sale Tuesday, June 25, the Boggs farm in Kent Co., near Crumpton. This farm is one of the finest farms in this county and is nicely located, being convenient to Crumpton, where there are schools and churches. It will make an ideal home or an investment, or both.

Ex-Vice-President Charles W. Fairbank Dead.—Ex-Vice-President Charles W. Fairbank, who was elected on the Republican ticket with Ex-President Roosevelt, died in Indianapolis on Tuesday. He was born in 1852 in a log cabin in Indiana, and by study and perseverance became one of the nation's leading men.

Father Earner's Brother Killed.—Father James F. Earner, pastor of Sacred Heart Church, Chestertown, and the Catholic Church at Rock Hall, received notice on Tuesday that his brother, Mr. John Earner, who was in training at the aviation school at San Antonio, Texas, had fallen from an airplane and had been killed. The death occurred on Tuesday. His body was brought to Wilmington, Del., his former home and interred, Father Earner and the balance of the family being present at the obsequies. This young man was dearly beloved by all who knew him and his death leaves a void in the family that cannot be filled.

U-Boats Attack Our Shipping.—Seeking to intimidate the United States, and hoping to put a stop to the Standard Oil Co.'s tanks, U-boats are pouring into France, German submarines appearing suddenly off the New Jersey coast on Monday and sank eight small oil tankers. While we are hunting down these under-sea assassins, let us not forget that important events in France are going well for us. The battle cry of France at the Marne nearly four years ago, "They shall not pass," has been taken up by Uncle Sam and history has repeated itself.

A Million Young Men Registered.—108 young men were registered in this county on Wednesday. While a million young Americans are being mobilized were also registered for service in the United States, orders went out from the office of Provost Marshal General Crowder to the governors of all states except Arizona for the mobilization between June 24 and 28 of 200,000 more registrants. This was in addition to the 40,000 negro men requisitioned for service and brings the total number of selective men called to the colors to 1,595,704, and when they are in camp the nation's Army will number well over 2,000,000 men.

New Way To Get Liquor.—We don't know how to get liquor into Kent county by the "harse route," like it went into other dry territory recently. The Middletown Transcript says regarding the smuggling of liquor from Middletown to dry territory: "An auto hearse, carrying a casket evidently containing a corpse, with a Virginia license attracted much attention at Middletown last Friday. Many people thought it queer that a trip of such great distance should be made with a hearse. The mystery was explained, however, after the hearse with the 'corpse' had left the town, from a remark the driver dropped while here. The casket was filled with bottled whiskey, which was being transported to 'somewhere in Virginia.'"

Lawn Fete.—The people of the town and county are given a cordial invitation and asked most earnestly to cooperate in the lawn fete Tuesday, June 11, which is to be held at "Lauretum," the home of Mr. and Mrs. Medford Brooks, near Chestertown. The proceeds are to purchase a large supply of materials for surgical dressing and hospital supplies. This auxiliary is given an allotment each month from the government, which so far they have succeeded in sending. We are very desirous to send for materials to keep us busy for six months. Come and help. Let every one who has been asked to serve on a committee do so willingly and for those who have not been asked let them offer their services. A cordial welcome is extended to all by Mr. and Mrs. Brooks and the Chestertown Red Cross. Lawn Fete begins at 6 p. m.—The Red Cross.

GERMAN SPIES ARE EVERYWHERE

German spies in the United States, as advanced in the William Fox Special, "The Spy," have invaded all walks of life.

Bankers and brokers whom no one suspects are in the paid employ of the Imperial Government. Lawyers and physicians are daily receiving instructions from the Wilhelmstrasse. School teachers and others entrusted with the task of guiding public thought and morals number many representatives of the Kaiser's system.

Even the waiters and bellboys in hotels contain numbers of German secret police. Grocers, druggists and chemists watch every movement made by their customers and report suspicious incidents to Berlin.

See "The Spy" at Lyceum Theatre, Chestertown, Saturday June 15.

Free Transportation to the Law. Fete. Take cars at square. Supper 6 p. m., 25 cents.

Chestertown High School Loses

The Chestertown High School Baseball Club was defeated by Centreville High School in a fast but erratic game on Wednesday afternoon at Chestertown. Centreville was the first to score, making two runs in the first inning. Chestertown tied the score in the second on C. Armstrong's hit. He was sacrificed to third by Hiron's, who was also safe on Everett's error, and both scored on Smith's double to center. In the third Centreville scored ten runs on error and a few hits and the home run by Everett over the left field fence.

Chestertown played an uphill game and in the eighth inning they made a desperate attempt to tie the score, but fell short by 4 runs, the final score being 13 to 9.

Armstrong, Smith and Brown were the stars for Chestertown, while Everett and Aldridge played best for Centreville. Robinson pitched a good game for Chestertown, but received poor support, although at times he was hit hard.
