COUNTY HEADQUARTERS AT "OVER THERE" CANTONMENT

A Glad Welcome to Be Extended to All Persons From This Locality.

Big Advance Sale of Tickets.

That the folks from "down home" may feel perfectly at home and welcome at the Fifth Regiment Armory when they visit the great Liberty Loan Cantonment, "Over There," arrangements have been made by the committee to establish a county headquarters at the Armory.

Each county will have a committee, which will be in the nature of a reception committee, and when Jim Jones or Mrs. Martha Simpson visits the cantonment and finds herself unable to locate any of his or her friends, and when that little lonely feeling threatens to spoil one's good time, then Mr. Jones or Mrs. Simpson can go to the county headquarters, pick out the county from which they had, and there be given the "glad hand" by those in charge of that particular county booth.

Nine times out of ten both Jim Jones and Mrs. Simpson will know intimately those in charge of their county booth, and in less time than it takes to tell they will soon get rid of the lonely feeling, and find themselves in the midst of old friends, and ready to enjoy the numerous attractions at the cantonment.

Through this arrangement it is probable that many old friendships will be renewed, and impromptu family reunions will be the thing, by having the county folks meet at county headquarters.

Visitors to Baltimore on the opening day of "Over There," March 30, will be given an opportunity to not only see the war tank "Britannia" but also see it in action—doing stunts which caused consternation in the German Army when those monsters of destruction first made their appearance in battle. The tank will not be shown at the Fifth Regiment Armory, on account of its great weight—thirty-four tons. The Maryland Jockey Club, however, has consented to the use of the Pimlico Race Course for this purpose, and at its own expense, will erect a building fifteen by twenty feet, have trenches dug, mounds thrown up and other obstacles placed, it being the idea of those who have charge of this feature of the War Exhibition to make it as realistic as possible. The tank will be in Baltimore only on the opening day of the show.

The advance sale of tickets to "Over There," which is said to be the largest for any one show ever known, is still rapidly growing, approximately 400,000 having been disposed of so far. The committee on admission of which Judge John C. Rose and Albert G. Towner are city and county chairmen respectively, are using every endeavor to give the tickets the widest possible distribution. Upwards of 8,000 letters were sent out last week to physicians, lawyers, preachers, architects, builders and loan associations, clubs, dental, educational institutions, merchants, etc. Just how the committee in charge will take care of the vast crowds which the stupendous sale of tickets denotes will attend the Cantonment, was at first a question which gave much concern, but arrangements have now been made whereby there will be practically no difficulty experienced in handling the enormous crowds.

There will be three exhibitions daily. The first will be from 10 A. M. to 12 M.; the second will be from 1 P. M. to 5 P. M.; the third from 7 P. M. to 11 P. M. This means that the Armory will be actually closed for one hour at the end of each exhibition during which time the building will be cleared of all visitors.

All the exhibits which will feature the Cantonment will be vivid and impressive. They will include demonstrations of practically every phase of war work there is. The Red Cross will have a field dressing station which will be an exact replica of those now in service behind the lines while other phases of Red Cross activities will be demonstrated. The Y. M. C. A. will show one of its travel huts which are doing such a vital work for the boys at the front. The Y. W. C. A. will have a miniature hostess house in operation, the Army and Navy will have splendid exhibits of their work, in addition to which there will be thrilling war movies, a war trophy exhibition of 1,500 pieces, an exhibition of thousands of war posters collected in all parts of the world, band concerts, prominent soloists, speakers—in fact, nothing has been neglected that will aid in making the Cantonment the most elaborate and spectacular show ever given in this country.

A unique feature of the entire production lies in the fact that there will be nothing sold except meals. The cantonment is anything but a money-making scheme, it having been produced with the sole aim of promoting the sale of the third Liberty Loan Bonds. Twenty-five percent of the ticket is payable on a Liberty Bond.

Spraying should be started early. Do not wait until the plants are covered with flies before making a start.

AID THE KIDNEYS

Do Not Endanger Life When a Chester-town Citizen Shows You The Way To Avoid It

Why will people continue to suffer the agonies of kidney complaint, back-ache, urinary disorders, lameness, headaches, languor, why allow themselves to become chronic invalids, when a tested remedy is offered them? Doan's Kidney Pills have been used in kidney trouble over 50 years, have been tested in thousands of cases.

If you have any, even one, of the symptoms of kidney diseases, act now. Dropsy or Bright's disease may set in and make neglect dangerous. Read this Chester-town testimony:

Mrs. James P. Parrott, N. Mill St., says: "My kidneys gave me considerable trouble on account of their acting irregularly. I had spells of dizziness and saw black spots before my eyes and was tired and miserable nearly all the time. I finally used Doan's Kidney Pills and got relief. I generally keep a box on hand and recommend them very highly."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Parrott had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.
