The Soldier's Dream

The dream that the soldier dreams and dreams is never a dream of war and hate. But of homelands fields where the sunshine gleams.

When his land was free from strain and stress Of war, with its bitterness and blight;

He dreams of a little checkered dress. He dreams of home and the firelight there;

Of a lovely woman kneeling low Beside a bed at her evening prayer: In his dreams to her side would he yearning go.

He dreams of another summer day When the birds sang sweet, as he tilled the soil.

He dreams of a little child at play; And he prays for the peace of a kindly toy.

Yes, the soldier dreams of a thousand things. But the last of them all is of war and hate; He dreams of his home when the vesper rings

And his child is swinging on the gate. —From "Stars and Stripes." Vehicles Must Carry Lights

On July 1st the new State law requiring lights on all vehicles went into effect. Vehicles using the public highways must carry a light at night or the owner will be subject to a fine.

Section 1. Be it enacted by the General Assembly of Maryland, That all vehicles in use or at rest on the public highways of this State or of any city, county, town or village thereof, during the period of from one-half hour after sunset to one-half hour before sunrise, shall display not less than one white light so placed as to be clearly visible both from the front and rear for a distance of at least two hundred feet; provided that such vehicles may display at the option of the owner or user one white light visible from the front and one red light visible from the rear for the distance aforesaid.

Section 2. And be it further enacted, That any person causing or knowingly permitting the above section to be violated shall be deemed guilty of a misdemeanor, and upon conviction shall be subject to a penalty of not less than five dollars nor more than ten dollars.

Section 3. And be it further enacted, That nothing contained in this Act shall be construed as altering or affecting the obligation of the users of motor vehicles to display the lights required by the laws of this State relating to motor vehicles.

ENTRANCE EXAMINATIONS. State Scholarships in Engineering Courses.

ENTRANCE EXAMINATIONS for the Department of Engineering, as well as for the College of Arts and Sciences, will be held in Gilman Hall, Monday-Thursday, September 16-19, 1918, beginning at 9 a. m. each day.

Examinations will also be conducted by the College Entrance Examination Board, Monday-Saturday, June 17-22, in Gilman Hall, beginning at 9 a. m. These examinations are accepted by the University.

APPLICATIONS FOR SCHOLARSHIPS IN THE DEPARTMENT OF ENGINEERING, established under the provisions of the Laws of Maryland, Chapter 90, 1912, will now be received. If there is more than one applicant for a particular scholarship, a competitive examination must be taken Friday, September 20, 1918, beginning at 9 a. m. Appointments will be made soon after the examinations.

Each Legislative District of Baltimore city and each county of the State, with the exception of Howard and Worcester counties, will be entitled to one or more scholarships for the year 1918-1919, in addition to those which have already been assigned. In the two counties mentioned above, all the available scholarships have been awarded.

Under the provisions of the Act of Assembly, the County and City Scholarships in the department of Engineering are awarded only to deserving students whose financial circumstances are such that they are unable to obtain an education in Engineering unless free tuition be granted to them. The scholarships entitle the holder to free tuition, free use of textbooks, and exemption from all regular fees. One of the scholarships in each county and each legislative district of the city carries also the sum of \$200. The expense of attendance for those who do not receive scholarships is not greater than at other Maryland institutions.
