THE THIRD NATIONAL BANK

OF CHESTERTOWN, MD.

The Only National Bank in Kent County

THUS FAR in 1918—for seven months—there has not been a single NATIONAL BANK failure in the United States. Never before in the history of the NATIONAL BANKS since 1870 (with the single exception of the year 1881) has there been such immunity from failures. This is due to National Supervision, more conservative management, rigid examinations, etc. This bank, of course, is under National supervision. Our growth during the past year has been very gratifying. See below:

Our Individual Deposits Tuesday, Aug. 13, 1918, were **\$1,332 359.98**
 Our Individual Deposits Tuesday, Aug. 14, 1917, were **943 303.41**
 Showing an INCREASE during the year of \$ **389,056.57**

This splendid increase in business is based upon CONFIDENCE. If you are not a customer of this institution we will be pleased to have you become one. Call and see us.

What is the difference between an OCUList and an OPTOMETRIST? The Oculist treats diseased Eyes and fits glasses according to the laws of optics. The OPTOMETRIST USES THE SAME MEANS FOR DETECTING ANY DISEASE, but does not treat, but refers to the oculist or family physician. The OPTOMETRIST fits glasses according to the laws of OPTICS, just the same as the oculist, but without DRUGS or DROPS.

Services of Red Cross Valuable

That the services rendered by the American Red Cross on the western front during the severe fighting of the last month has contributed to the success of our troops is the opinion expressed in letters from American officers now being received at the Paris headquarters of the organization. One such letter from Major-General R. A. Bullard, commanding the First Division in France, was contained in a cable received by the War Council of the Red Cross recently. It follows:

"Your prompt and liberal co-operation, abundance of supplies furnished both to hospitals and to men enroute to and from the field, and aid rendered by your ambulance and camion service in transporting wounded, were not only timely but absolutely necessary to meet the needs of our men. Indeed, it is difficult to understand what the result would have been without these services.

"The American people may well feel proud of the organization which they have built up and it is a matter of congratulations that contributions which they have made are used so appropriately. On behalf of the division I beg you and your assistants will accept my gratitude."

A big army truck, carrying a number of boys in khaki, passed through Chestertown yesterday.
