It's Pleasant to Shop in Baltimore's Best Store

No matter where you turn, you will find little conveniences that help to lesson the discomfort so often attached to shopping trips.

For instance, by taking advantage of the following, you will save time and trouble.

¶ A TRANSFER CARD is an easy and time-saving method of shopping. Ask any salesperson for one; its use will be explained to you.

¶ PARCELS CHECKED, on the First Floor, rear, without charge. Close by is a Sub-Post-office, where all your mailing can be attended to without leaving the store.

¶ THE REST ROOM, on the Fourth Floor, with its comfortable rockers, telephone booths and writing facilities, is also a convenient place in which to meet your friends.

¶ THE TEA ROOM, on the Sixth Floor, is a delightful restaurant for shoppers. Good food, well prepared and daintily served, may be had at moderate prices.

¶ Altogether, you will find this not only Baltimore's Best Shopping Place, but one where conveniences for the shopper have been carefully studied
