IN SERVICE

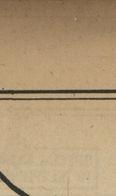

Commercial conditions in the United States and throughout the world are still far from normal. Your Telephone Company and other progressive organizations are steadily and surely getting back to pre-war standards—working to that end with the energies used during the past couple of years in helping to win the war.

It cannot be done in a day. Additional equipment is being placed; our 691 soldiers and sailors are getting back on the job; reconstruction plans of all kinds are being worked out. And it all takes time. Meanwhile, we ask your consideration and co-operation.

I AM GLAD TO ENDORSE PE-RU-NA

Glad to Try Anything

"Three years ago my system was in a **terribly run down condition** and I was broken out all over my body. I began to be worried about my condition and I was **glad to try anything which would relieve me. Peruna was recommended to me** as a fine blood remedy and tonic, and I soon found that it was **worthy of praise. A** few bottles **changed my condition** materially and in a short time **I was all over my trouble.** I owe my restoration to health and strength to Peruna. **I am glad to endorse it."**

Congress May End By November 1.—That Congress will end by November 1 is the opinion of many national politicians who should know something about it. It seems quite likely that the treaty will be ratified and the League of Nations agreed upon by that time.

The War and Influenza.

were two abnormal conditions appertaining to Life Insurance that came to the surface during the year just passed, concerning which we simply state

THEY FOUND THE BALTIMORE LIFE INS. CO. PREPARED

and we have pride in the manner the conditions were met.

The death claims among those of our policy holders who were in the SERVICE, and the death claims caused by the epidemic of FLUE and PNEUMONIA, approximating a QUARTER OF A MILLION DOLLARS (from those two causes alone) were paid immediately on receipt of proof of death, and not one claim was held in our office seven hours.

IT PAID ITS CLAIMS.

Look! Here is the globe spread out flat before your eyes. See those stars? Every star shows where a U. S. Navy ship was on September 2nd, 1919. **The Navy travels the Seven Seas.**

Don't you want to see the World?

ROMANCE is calling to you! Strange and smiling foreign lands are beckoning to you. Shove off and see the world!

Learn to "parley-voo" in gay Paree. See the bull-fights in Panama. See surf-riding on the beach of Waikiki.

Learn the lure that comes with the swish and swirl of the good salt sea. Eat well—free; dress well—free; sleep clean—free; and look 'em all straight in the eye—British, French, Chinese, Japanese, Spaniards, Egyptians, Algerians and all manner of people.

Come! Be a *real* man of the world. See the world. See it with the red-blooded, hard-working, hard-playing men of the U. S. Navy.

Pay begins the day you join. On board ship a man is always learning. Trade schools develop skill, industry and business ability. Thirty days care-free holiday each year with full pay. The food is good. First uniform outfit is furnished free. Promotion is unlimited for men of brains. You can enlist for two years and come out broader, stronger and abler.

Shove off—Join the U. S. Navy. If you're between 17 and 35 go to the nearest recruiting station for all the details. If you don't know where it is ask your postmaster.

Shove off!-Join the U. S. Navy
