ALL TIRED OUT

Hundreds More in Chestertown in the Same Plight

Tired all the time;
Weary and worn out night and day;
Back aches; head aches,
Your kidneys are probably weakened.

You should help them at their work.
Let one who knows tell you how.

Mrs. Romie Patrick, High St., Chestertown, says: "I was troubled with my kidneys. They acted too frequently. My back caused me a lot of pain and seemed as though weights were tied to it pulling me down. I felt tired all the time and I was surely in a miserable condition. I used Doan's Kidney Pills, procured from M. A. Toulson's Drug Store and the trouble entirely disappeared."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Patrick had. Foster-Milburn Co., Mfgrs., Buffalo, N. Y.

Four Complete Operations Every Trip Over the Field

Now that farm labor is scarce, it is to your advantage to do your work in the quickest and easiest way, especially when that method will bring even bigger crops than the old.

The planting season is always a busy one, but you will find that the work is accomplished a lot easier if you use a John Deere-Van Brunt Fertilizer Drill. This drill makes horse power and man power available for other purposes. In one trip over the field it pulverizes the soil, makes the seed furrows; plants and covers the seed and the fertilizer. And besides, it increases the crop yield because it does better seeding.

Come in and ask us to show you the *patented* adjustable gate force feed used on Van Brunt Grain Drills. This force feed is the construction that insures even seeding over the entire field. No seed is wasted and there are no bare spots in the field. The "Van Brunt" does first-class work in any soil capable of being seeded. It does not choke up in mud, gumbo, sticky or trashy soil.

Save extra labor and seed and increase your crop yield by buying a Van Brunt Fertilizer Drill from us.
