School Notes

Have the patrons and trustees of the county schools ever taken into consideration the importance and necessity of a good, pure water supply on the school grounds?

What opportunity do the children have to wash their hands before eating their lunch?

In this enlightened day we all know that the hands and food are the great germ carriers and sources of disease. We know only too well the danger of the water pail and common drinking cup.

The patrons are most vitally interested in the schools. Why not interest yourselves in seeing that water, preferably running water, is inside the school building and a drinking fount placed in the school which your children attend. There is a way. If the School Board cannot furnish these funds, raise the money in your community. The Junior Red Cross will co-operate with you.

A water survey of some of the Co. Schools, Massey, Pomona, Quaker Neck, Cliff, Lynch, Morgnec, Cherry Lane, Mill Branch, Chesterville, Number Ten, Skinner's Neck, Sassafras, shows they have no water on the grounds.

Janvier has an old pump which has not been cleaned out for four years. Coleman has a pump which is out of order, Rock Hall High School's water is not fit for drinking purposes.

Grange Notes

The following committees were appointed at Pomona Meeting to look after the success of the State Grange meeting:

Wm. G. Smyth and J. T. Anthony to look out for lodging and meals for the visitors; Mrs. Hannah Moore, committee on literary entertainment; Mrs. Evelyn Harris, chairman of music committee; Mrs. Harry T. Williams, chairman of reception committee; Lin. Redmile, chairman of sight-seeing tour; decoration committee, Jas. T. Anthony, assisted by Chestertown Grange; publicity committee, J. T. Anthony, Mrs. Wm. G. Smyth and Mrs. Harry T. Williams; executive committee consists of Masters of Subordinate Granges.

Every grange should get into good shape to help make this the most successful State Grange Meeting ever held. Let's show old Kent's hospitality to the full.

County Agent Derrick and our Co. Economic Demonstrator, Miss Hill, have charge of the county exhibit, which will be held at the same time.

Similar Cases Being Published In Each Issue

The following case is but one of many occurring daily in Chestertown. It is an easy matter to verify it. You cannot ask for better proof.

Enoch Latham, shoemaker, High St., Chestertown, says: "Whenever I caught cold, it seemed to settle on my kidneys and I suffered untold pain. When I straightened up it seemed as though I were stabbed. My kidneys acted too frequently and I had to get up several times at night to pass the kidney secretions. I had dizzy spells and on different occasions my eyes gave me trouble, a mist seemed before them. I learned of Doan's Kidney Pills and began using them. I purchased them from M. A. Toulson's Drug Store and they gave me great relief."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get get Doan's Kidney Pills—the same that Mr. Latham had. Foster-Milburn Co., Mfgrs., Buffalo, N. Y.

Four Complete Operations Every Trip Over the Field

Now that farm labor is scarce, it is to your advantage to do your work in the quickest and easiest way, especially when that method will bring even bigger crops than the old.

The planting season is always a busy one, but you will find that the work is accomplished a lot easier if you use a John Deere-Van Brunt Fertilizer Drill. This drill makes horse power and man power available for other purposes. In one trip over the field it pulverizes the soil, makes the seed furrows, plants and covers the seed and the fertilizer. And besides, it increases the crop yield because it does better seeding.

Come in and ask us to show you the *patented* adjustable gate force feed used on Van Brunt Grain Drills. This force feed is the construction that insures even seeding over the entire field. No seed is wasted and there are no bare spots in the field. The "Van Brunt" does first-class work in any soil capable of being seeded. It does not choke up in mud, gumbo, sticky or trashy soil.

Save extra labor and seed and increase your crop yield by buying a Van Brunt Fertilizer Drill from us.
