THE TRANSCRIPT

Entered at the Postoffice at Chestertown, Md., as Second Class Matter.

THE result of the election in Kent County on Tuesday should be a valuable lesson to the Democrats. It shows conclusively that Kent is a Democratic county, and it also shows that with a united Democracy the Democrats can win, and that is the only way they can win. The dissention in the Democratic party has been cleared away by the election of a full Democratic ticket and we hope it will be kept clear by a continued united Democracy. This can only be done, however, by the carrying out to the letter of the law the agreement made between the two factions of an equal division of all appointments and patronage on a 50—50 basis and we have no doubt this will be done and the Democrats of the county will be a united and happy family.

DEMOCRATS SWEEP KENT!

THE LAST RETURNS FROM THE STATE INDICATE RITCHIE, DEM., HAS BEEN ELECTED GOVERNOR.

BROOKE LEE, DEMOCRAT, ELECTED COMPTROLLER.

Attorney General and Clerk of the Court of Appeals Somewhat in Doubt.

BOTH BRANCHES OF THE LEGISLATURE DEMOCRATIC BY SMALL MAJORITIES.

At the hour of going to press the result of Tuesday's election on the state ticket was not definitely known, as the figures were too close to determine the actual result. Mr. Ritchie's plurality was 198 and the indications were that he had been elected governor by a small plurality.

Major Brooke Lee has been elected Comptroller by a safe majority, while the attorney-general and the clerk to the Court of Appeals are both somewhat in doubt, but the indications are the democrats have won.

The vote by districts in Kent county is given below.

The Conditions! The Results! The Way Out!

If you could see the letters we have been getting daily from the various manufacturers of all jewelry lines, you would realize more fully the seriousness of the conditions that exist in the jewelry trade.

THE CONDITIONS — Never in the history of the business has there been such a demand for all lines of merchandise, and, likewise, never has merchandise been so hard to get.

The reasons for this are obvious—huge amounts of money in circulation and the jewelry factories compelled by labor conditions to work short hours (when not tied up by strikes). This has caused a tremendous under-production in all lines, and the majority of factories are REFUSING ORDERS FOR DELIVERY THIS YEAR.

AND

THE RESULTS — This means that the merchandise now in the hands of the retailers IS YOUR ONLY HOPE FOR THE HOLIDAY TRADE. What will you do about it?

THE WAY OUT — RIGHT NOW we are well prepared to take care of your Holiday orders. What conditions will be a month from now we can't say. But, whether you do your buying from us or not, BUY NOW!
