THE THIRD NATIONAL BANK

OF CHESTERTOWN, MD.

The ONLY NATIONAL BANK in Kent County

In a published statement made by the Comptroller of the Currency, Washington, D. C., November, 1919, had this to say concerning the solvency of the National Banks of the United Slates:

"From January 1st, 1918, (22 months ago) to the present time, there has been only ONE failure involving loss to Depositors among all the National Banks (a small bank in California). On November 1st, 1919, there were 7,900 National Banks in operation. This record for immunity from failure is the best in the history of the National Banking System, and is 30 times or 3000 per cent. better than the average annual record for the forty preceding years."

The Third National Bank of Chestertown is under the supervision of the Comptroller of the Currency at Washington, D. C., is examined by his experts, etc. It is also a member of the Federal Reserve Bank, all of which, we think, adds to its strength, and may (when needed) come to our assistance in case of money stringency.

We ask for your banking business, it will have proper care. Four per cent. paid on all Savings accounts. Everybody treated alike.

Very respectfully,

THE THIRD NATIONAL BANK

C. A. GOODWIN

New Ford Agency In Chestertown

It is a pleasure for us to welcome Mr. C. A. Goodwin, who is opening the new Ford Agency in Chestertown.

Mr. Goodwin has been connected with the Ford Motor Co. of Philadelphia for a number of years in various positions and we believe he is highly qualified to give to the Ford owners of this section the latest word in Ford service and sales. His teachings and experiences should be of benefit to the community. He will be located at the Central Garage Building. After remodeling is completed it should make a good home for the Ford. We understand that it is his intention to carry a large and complete supply of genuine Ford parts and install the best equipment that can be had.

We welcome Mr. Goodwin to Chestertown and hope that he will be entirely successful in his business enterprise and feel certain that he will be a loyal citizen of the state.

Mr. John E. Speicher, Jr., is employed as a salesman and will be on the job all the time, with his usual pep, to serve Ford owners with the same courtesy as he has been extending to patrons at Mr. Toulson's Drug Store.

Chestertown Man Found Dead

Mr. Richard Allen, of Chestertown, was found dead in a small stream of water near the basket factory by small colored boys who were playing there on Tuesday afternoon at about three o'clock. Mr. Allen was lying face downward in about half a foot of water. It is believed he suffered a stroke of some character that rendered him helpless and when he fell in the water he was powerless to extricate himself. Soon after his discovery Deputy Sheriff Mark Perkins arrived at the scene and notified Coroner Dodd, who deemed an inquest unnecessary and decided his death was accidental.

Mr. Allen was a faithful and efficient employee of the firm of Davis & Satterfield for a number of years. He was of a quiet and unassuming disposition, was pleasant to talk to and was well liked by all who knew him. He came here from Ridgely and made his home with his brother, Mr. Jacob Allen, on High street. The deceased was 34 years of age, and is survived by his father and mother, and two brothers, Jacob F. and Wester Wood Allen, of Chestertown; and one sister, Mrs. Ira Leager, of Ridgely. Funeral services were held Thursday morning at 10 o'clock, interment in Chester cemtery. Undertaker C. L. Dodd had charge of funeral arrangements, while Dr. J. L. Ward was the officiating clergyman.

The pall bearers were C. N. Satterfield, Geo. Latham, George Patrick, Clarke Davis, Highland Crew, John E. Barnes.

No information could be secured at the time of going to press of the fate or whereabouts of the two men who left Baltimore in the launch.

Grange Notes

Attention, Grangers! We want a monstrous Grance Choir for this State Grange meting, as one of the special things arranged for the entertainment of our guests. As a rule, folks don't sing as much as they should, and while there is no excuse for it (except thoughtlessness) we are going to try to change it. At that time, plans for future meetings will be made.
