THE CITY TORE--THE HUB

THE CHRISTMAS CLOTHING STORE

offers three reasons why you should buy your outfit at the Hub Store in Millington.

FIRST—Our prices are from ten to forty per cent. lower than the big city stores.

SECOND—Our stock offers a larger selection than any other small town store.

THIRD—Instead of sending your money a thousand miles away and get something you don't like, come here and see what you are paying for.

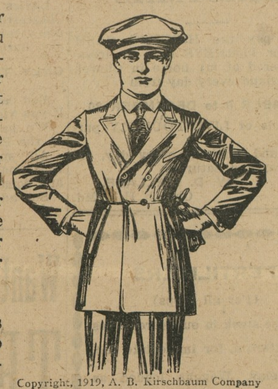

This store can be classed as a REAL CHRISTMAS STORE. Gift selections can easier be picked for everything is on full display—early choosers always get better selections, so come now. REMEMBER OUR PRICES ARE LOWER.

STATE GRANGE

An Enthusiastic And Largely Attended Meeting Held at Chestertown

The Maryland State Grange met in William Smith Hall, Washington College, Chestertown, in annual session Monday, Dec. 8, at 7.30 p. m. at which time a public reception to the visiting grangers was held, presided over by Mr. Edgar R. Pennington, Master of Kent County Pomona Grange. Dr. Clarence P. Gould, president of Washington College, delivered the address of welcome, extending to the Grange and the visitors the entire equipment and grounds of the college to use as their ery own. Dr. Gould's address was well received by those who heard it, the room being unequal to accommodate the vast crowd present. President Gould's address was replied to by the State Master of the Grange, Mr. John B. Black. Mr. William G. Smyth, long prominent in grange work in this section, welcomed the Grangers to the county and told them some of the ancient and resent history of this old and historic county. Mr. Smyth was replied to by Mr. D. G. Harry, State Lecturer, after which the session closed for the evening.

Music, consisting of vocal and instrumental, was conducted by Mrs. Arthur L. Harris in a very pleasing and entertaining manner. Mrs. Harris was the right woman in the right place.

Mr. James T. Anthony, the State Grange Organizer, filled the important place of general master of ceremonies. Although not on the program, he was called upon for a talk. He responded in a very pleasant but brief speech, after which the session adjourned for the social hour, which was in charge of Mrs. Hannah Moore.

The lack of space forbids our commenting on each day's doings, but suffice it to say the following program was carried out in a splendidly entertaining and instructive manner.

TUESDAY, DECEMBER 9

Morning Session 9 a. m.

Opening Grange in 4th Degree by State Master Black; announcement of the order of business; prosentation of credentials; appointment of committees; installation of Question Box by State Lecturer D. G. Harry; report of Credentials Committee; report of Executive Committee; presentation of Resolutions for reference to committee; new business; suggestions for the good of the order.

Afternoon Session 1.00 p. m.

Music; address, State Master, B. J. Black; reports of officers; reports of deputies; reports of Pomona Masters; report of committee on Maryland State College and Agricultural Experiment Station; reports of Standing Committees; new business and resolutions; lecturer's round table, conducted by State Lecturer Harry.

4.00 p. m.

Exemplification of 1st Degree by Darlington Grange of Harford County; exemplification of 2nd Degree by Galena Grange of Kent County.

Evening Session 7.30 p. m. (Public Meeting)

Music; address, The Railroad Problem and the Farmer; address, The Work of the Marland Extension Service for Farm Women, by Miss A. V. Kellar; music; exemplification of 5th Degree by Harford County Pomona Grange; exemplification of 3rd Degree by Kennedyville Grange of Kent.

WEDNESDAY, DECEMBER 10

Morning Session 9.00 a. m.

Music; report of Special Committee on Maryland Page in National Grange Monthly; report of Special Committee of Grange Page in Maryland Farmer; unfinished reports; unfinished business; new business.

Afternoon Session 1.00 p. m.

Election of Officers and Committees; report of the Committee on Resolutions; announcement of the Maryland Grange Program for 1920 by Dr. H. J. Patterson.

4.00 p. m., Special Order

Installation of officers; free sightseeing trip.

Evening Session 7.30 p. m. (Public Meeting)

Music; address by Dr. A. F. Woods, President Maryland State College; music, Children's Chorus; address, The Relation of the County Agent's Activities to the Grange by Dr. Thomas B. Symons, Maryland State College, Extension Service; music; conferring of 6th Degree by State Grange.

THURSDAY, DECEMBER 11

Morning Session 9.00 a. m.

Music; Grange Legislative program, What Shall It Be? report of Special Committee; Business for immediate action; final report of Resolution Committee; music. The Grange passed resolutions thanking the Kent County Pomona Grange, the people of Chestertown, the President and Faculty and Board of Visitors of Washington College for helping to make their stay in Chestertown so pleasant and profitable. After which the session closed to meet in Frederick City next year.

Quince Marmalade

1st—Mrs. S. J. Comly; 2nd—Mrs. Robt. Wallis; 3rd—Miss Elizabeth Pennington.

Continued on page 4

What A Hen Should Do.—There is a great deal of talk now of what the average hen should do in the city papers. What they do is, however, a far different story. The average hen is not laying hardly an egg a month in Kent county these days. A good many early hatched pullets have begun to lay, however, with the result that the poultry raiser is making preparations to hatch them earlier next year. The following is what a city paper tells how a hen should lay: December, 7 eggs; January, 9 eggs; February, 12 eggs; March 18 eggs; April 19 eggs; May 20 eggs; June 18 eggs; July 17 eggs; August 15 eggs; September 13 eggs; October 7 eggs; November 5 eggs.

Enjoy Cold Days in a Maxwell

Jump into a Maxwell, bundle up, and in a second or two you're off.

No stone cold engine, no getting out to crank.

A few revolutions of the engine and it is running with midsummer action.

You get over ground quickly, get to your destination faster than in a bigger car.

This cold weather efficiency in a Maxwell is traceable to the Hot Spot and Ram's-horn, which warm up, "break up" gas into a fine vapor.

The moment this reaches the cylinders it is converted into full power and you avoid the troublesome eexperience of "trying to get a car warmed up on a cold day."

This high efficiency and the fine quality of steels used in its construction have made for Maxwell friends by the thousands—to date more than 300,000 of them.

100,000 Maxwells are being built this year; which will suplly but 60 per cent of the demand.

Price $985 f. o. b. Detroit.

Mrs. E. M. Harris, R. R. No. 3, Ashland, Wis., sends a message of cheer to the sick:

"After following your advice and using Peruna and Manalin, I was cured of catarrh of the nose, throat and stomach, from which I had suffered for several years. When I commenced taking Peruna I could not make my bed without stopping to rest. Now I do all my work and am in good health. I recommend this valuable remedy to all suffering from any disease of the stomach."
