THE PROPER COURSE

Information of Priceless Value To Every Chestertown Citizen

How to act in an emergency is knowledge of inestimable worth, and this is particularly true of the diseases and ills of the human body. If you suffer with kidney backache, urinary disorders, or any form of kidney trouble, the advice contained in the following statement should add a valuable asset to your store of knowledge. What could be more convincing proof of the efficiency of Doan's Kidney Pills than the statement of a Chestertown citizen who used them and who publicly tells of the benefit derived?

Mrs. S. E. Kirby, Queen St., Chestertown, says: "About six years ago, I was troubled with slight disorder of the kidneys and backache. I used Doan's Kidney Pills, procured from The Stam Drug Co., with good results."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Kirby had. Foster-Milburn Co., Mfgrs., Buffalo, N. Y.

Hog Killing Season Here.—The annual season for hog killing is at its height in Kent County this week, and thousands of fine porkers have been slaughtered. Hog raising has assumed big proportions in Kent county during recent years and all our farmers have had large numbers of them. Unfortunately, however, hog cholera has wiped out many of the farmers' hogs this year and they have been compelled to buy their meat.

Judge Adkins Slightly Injured.—Chief Judge Wm. H. Adkins was incapacitated from sitting on the bench the past few days. Recently he took his daughter, Miss Edith Adkins, to the boat at Easton Point. She was returning to school after having spent the holidays with her parents. The Judge was standing on the wharf as the boat came in and when the deck hands were putting out the gang plank it slipped and struck the Judge on his right ankle, spraining it slightly. We understand Judge Adkins has recovered and is again on the Bench.
