THE STATE GRANGE

The State Grange has come and gone, leaving many good impressions behind them. While here they made many new and pleasant acquaintances and many regrets were expressed over the partings. The Chestertown and Kent county people in many instances opened their homes to them and enjoyed their company. The Grange had the largest attendance in its history. The Grange went on record as favoring the anti-race track bill, the Federal Suffrage Amendment, a bill to make it unlawful to sell ice cream containing less than 10 per cent butter fat and the Copper Hersham bill now before Congress. A great deal of enthusiasm prevailed throughout the sessions and the grangers believe much good will result to Kent count from the meetings. Come again, grangers.
