## THE THIRD NATIONAL BANK

OF CHESTERTOWN, MD.

The Only National Bank in Kent County

BE CAREFUL AND SYSTEMATIC:

People who pay their bills by check get a reputation for being CAREFUL and SYSTEMATIC in their business dealings. Such a reputation means much in the establishment of credit. It costs no more to pay your money out by check than it does to use the hard cash, and you have the advantage of having it in a place that is absolutely safe.

To have money in the bank is of itself a valuable asset, and it is possible to practically everyone without one cent of cost. It takes no more money to do business by the checking method than it does by the cash-in hand method. A checking account can be made a very convenient system of book-keeping, commending itself especially to those who feel that they do not have enough business to justify the keeping of an elaborate set of books. Your deposits can be made to represent your receipts, and your checks your expenditures. The stubs of your check book will be your record, which will require very little time to keep. A checking account with this bank is an absolutely safe proposition. Your money is safer than it is in your own pocket, and your check is as good as your money in any business transaction.

A depositor of a bank, not long since, went into his bank and asked to see a certain check which he had issued, and which he described. It was one that he had paid in the settlement of a business account. Through unintentional error he had not received proper credit for the amount. He was given the check and with it proved that the bill had been paid. A chocking account is the surest safeguard against paying an obligation a second time.

We invite you to open a checking account with us, and assure you that we will give you the best of service.

We also maintain a first-class Savings Department. On each account we compound the interest semi-annually, adding the interest to the account without any trouble on the part of the depositor. We pay FOUR PER CENT. on all savings deposits.

Program of Photo-Plays To Be Shown At The
LYCEUM THEATRE
CHESTERTOWN
Showing Only The Best In Motion Pictures

Tonight—Metro special production, William Desmond in "Fightin' Mad," a romance of a fighting man, filled with the thrill of stirring adventure. Also Selznick News and Century Comedy.

Monday, Feb. 20—An Irvin Willat production, "The Face of the World," a drama of love and hatred, of desire and devotion. It's well worth seeing.

Tuesday, Feb. 21—Operetta and play by Emmanuel Guild of the P. E. Church.

Wednesday and Thursday, Feb. 22 and 23—Goldwyn special production, "The Cabinet of Dr. Caligari"—a glimmer of black magic from the middle ages, in a picture that runs the gamut of spine-tingling thrills. Don't miss it if you like mystery and shivery, creepy sensation. It may prove too startling for small children and women with nerves."

Friday and Saturday, Feb. 24 and 25—The supreme NAZIMOVA in "CAMILLE." White lights and gay life versus love in a cottage. A photo-drama of a tragedy which is a classic of literature, stage and opera. Fresh perversity, fresh credulity, fresh passion, fresh pain. Its all champagne and tears.
Also Selznick News and Century Comedy.

Only one show Saturday night, starting at 8 o'clock.

## WEDDINGS

A wedding of much interest to people of Kent Co., took place near Boston Saturday evening last, when Miss Katherine Marie Blunt, of Dorchester, suburb of Boston, became the bride of Edmond Spedden Graves, in All Saints Episcopal Church, in Peabody Square, Ashmont, near Boston, of which the bride's father is the rector. Miss Blunt attended the Ossining School, of which she is a graduate, and she is also a graduate of the Boston Museum of Fine Arts School. She is the daughter of Rev. and Mrs. Simon B. Blunt. Mr. Graves is the son of Mr. and Mrs. Spedden Graves, and graduated from Washington College in 1915. He is one of the members of the bottling firm.

The bride wore cream georgette, beaded, with a girdle of charmeuse, of which material the train was made, trimmed with orange blossoms in small clusters, and wore a bridal veil of tulle while the maid of honor was also gorgeously attired.

On the entrance of the bride she was met by a group of choir boys, who escorted her and her attendants and the ushers to the chancel steps. During the procession the full choir of men and boys sang. At the chancel steps the attendant boys formed in two lines at the right and left of the bridal party and remained until the wedding was concluded. The boys then led the bride, the bridegroom and attendants to the altar rail and after taking their places in the choir all sang "The Voice That Breathed O'er Eden."

After a honeymoon trip of several weeks, Mr. and Mrs. Graves will make their home in Chestertown.

### Warning Against Shooting Wild Fowl

Our attention has been called to numerous reports concerning persons shooting wild fowl, especially from blinds erected on the water of this state, since January 31. The public is informed that the Federal Law, which supersedes our State Law, opens the season on wild fowl Nov. 1 and closes Jan. 31, therefore, the sportsmen must govern themselves accordingly. Our Field Wardens will apprehend the guilty parties and turn them over to the Department of Justice for trial before the Federal Court in Maryland. We feel a law should be enacted requiring every owner of a booby, brush or a blind of any description to remove the brush and boards above the water within 5 days after the close of the wild fowl season. This we believe would decrease violations of the Wild Fowl Law to a great extent.
STATE GAME DEPARTMENT.

—Mr. Harry F. Jefferson has secured the services of Mr. Maas Groh an experienced shoe salesman from Baltimore, to take charge of his shoe department. Mr. Groh has been with William Hahn, of Baltimore, and will enter upon his duties on Monday next.
