THE WILMINGTON CONFERENCE

It Meets In Cambridge Next Week—March 21-27

The 54th annual session of the Wilmington Conference will meet in Zion Methodist Episcopal Church, Cambridge, next week, the date being Mar. 21-27. Rev. Walter E. Gunby, pastor of that church, has completed the arrangements for entertainment. Bishop W. F. McDowell, of Washington, president of the Conference, will be the guest of Mr. and Mrs. Ivy L. Phillips and Bishop Theodore S. Henderson, of Detroit, Mich., an official visitor, will be the guests of Mr. and Mrs. Winfield Webster. Homes are all provided for the ministers, officers and visitors.

A very interesting program has been arranged, a special feature of which will be the Boys' Conference to be held in the M. E. Church, South, on Saturday and Sunday, March 25 and 26. The organization will be made by the boys and the officers selected from among their own number. On Saturday afternoon two addresses will be made, one by W. Henry Jones, president of the Laymen's Association, on "Mobilized For Service," and one by Bishop McDowell, subject, "Lafayette, We Are Here." Arrangements have also been made for the entertainment of the boys.

The Wilmington Conference is a strong organization from a financial view-point and has great strength numerically and has wielded a powerful influence on this Peninsula for good. The laymen and ministers have demonstrated great ability to raise money for any purpose in their line of work. Marvelous sums of money have been raised through the Centenary offering, started out to cover five years' contribution, and perhaps the majority of appointments are holding up to the first promises; a few others have fallen behind. Most sections of the Conference have made a steady advance in finances, both as regards salaries and improvements. All the charges now have good comfortable parsonages and many fine churches are to be seen in almost every section.

The Methodist Episcopal Church of Chestertown, under the leadership of Rev. Omar E. Jones, has made good progress, and Rev. Jones will go to the Conference next week with his charge in fine shape.
