

Overcoming the Handicap of Distance

YOU can talk to any place in the United States where there is a telephone. You can even talk to Cuba! Your field is unlimited.

You may seldom, if ever, have occasion to talk to points hundreds of miles away, but you do have use for service to nearby places.

A telephone call will do away with the necessity of many time-consuming trips. A few minutes at the telephone often save hours of time.

The rates are reasonable, and station-to-station rates are greatly reduced after 8.30 P. M. The pages in the front of your telephone directory explain the different classes of calls and reduced rates fully. The minimum reduced rate is 25 cents.

Ask the operator for rates to any place.

NOLAND

There is no mystery about the steady increase of this business. There is no secret why families of two counties remain staunch friends of this store.

Three years of value giving has made us these friends. We take great pride in the fact that our store is the leader in low prices.

With the new addition to our room we are now in a position to take care of our growing business. Our store, now greatly enlarged, is filled with just what you need, and is the only department store carrying a full line of every day requirements.

Just now we are showing a new line of Floor Coverings and the largest stock of Staple Ginghams, Dress Goods, Waists, White Goods, Muslins, etc.

We are still headquarters for the best and cheapest Hair Nets in town.

We also carry Dishes, Glassware, Enamelware, Tin and Iron Cooking Utensils.

You will now need Men's Work and Dress Shirts, Pants and Overalls, Underwear for all the family. We have the best Work Shoe for the money—guaranteed to give satisfaction.

We call your attention to our service giving line of Men's, Ladies' and Children's Hose. Some special good numbers for Easter.

How about Paints and Varnishes? We have a full line for inside and outside work, both House, Barn, Auto, Carriage Wagon as well as Varnishes, Stains, Enamels and Wall Coatings. Don't forget to varnish your Linoleum this spring.

In short, we have tried to fill in our stock to meet your spring requirements. We will be glad to have you call on us.

TO DEVELOP EXPERT SHOTS

Sanitary Detachment, First Infantry, Maryland National Guard, Situated At Chestertown, To Go To Camp At Edgewood July 22 To August 5

Now that spring is almost here and the time for out-door activities is fast approaching, plans are rapidly being developed for the Field Training of Company "S. D.," First Infantry, Md. National Guard, this city.

Probably no part of the soldiers outdoor training is more popular and also of greater benefit to the country than the intsruction given in the firing of the various weapons with which the Infantry soldier is equipped.

The service rifle with which our soldiers in Company "S. D." are armed is probably the finest weapon of its kind in the world, no other rifle can compare with it in range, accuracy, and dependability, it is without question, the most important weapon in the service,although by no means the only one used by the Infantry to produce fire power, as the machine guns, 45-calibre automatic pistols, 37 millimeter guns, and the light mortars must not be under-estimated in value, and will come in for their share of instruction on the target range.

Every red blooded American is extremely proud when he becomes a part shot with some sort of fire arms, as with this qualification comes a sense of security not otherwise felt.

Many people have the erroneous impression that good shooting is the result of a natural gift, however the best authorities on this subject agree without exception that the expert use of any weapons is brought about by means of proper instruction, and that any one with normal physique can easily become a good shot.

In order to devote the maximum amount of time while on the range to actual firing, much of the preliminary instruction will be given in the Armory before going on the rifle range.

Rifle shooting in the army is at long ranges as compared to civilian practice, and therefore requires careful, sysetematic instruction. The method followed in making good shots of the users of the weapons of various kinds do not differ materially, and they will be given the same instruction as the rifle.

After having completed the preliminary instruction at the Armory, there will follow a tour of duty at the State Rifle Range, at Glenburne, Md., where he will demonstrate by record firing his qualification.

There are three classes into which soldiers qualifying are divided: first, the Expert Rifleman, which is the highest, next the Sharp-Shooter, and the other Marksman. As a mark of distinction, a silver badge appropriate to the classification is issued the soldier qualifying, and will be worn by him as a part of his uniform.

Men interested in learning how to shoot who are not members of Co. "S. D." should speak to Capt. Hines, without delay, so that they may enlist at this time and take advantage of the instruction from the start, and in so doing they will not be at the disadvantage of having received less practice than the other men of the company.

In no previous year at camp or on the rifle range has the shooting efficiency of the National Guard received the consideration that it will during the coming summer, and it is hoped and expected to establish a record for the Maryland National Guard and to place Co. "S. D." at the head of all the companies in rifle markmanship.

The time of encampment is July 22 to August 5, at Edgewood, Md.

KENNEDYVILLE

Mrs. Lula Johnson is visiting her parents, Rev. and Mrs. J. F. Wooden.

Mr. Norman Hitch, of Salisbury, is spending some time with his wife at the home of her parents, Mr. and Mrs. W .S. Hurlock.

Mrs. James Archibald had a bad fall from which she received numerous bruises, but no broken bones.

Service this Sunday at Grace Presbyterian Church at eleven o'clock. A member's meeting was held last Sunday following the regular preaching service.

Mr. Frank Rhoeder was elected elder to succeed Mr. Harry Price, deceased.

Mrs. Willie Redmile is spending some time with Mrs. Harriett Bacon, of Wilmington.

Mr. and Mrs. Paul Boggs and daughter, Sarah, spent the week-end with Mr. and Mrs. Henry Boggs.

Mr. Cyric Cain and family, of Centreville, were Tuesday guests at the home of his parents, Mr. and Mrs. James Cain.

—It is being predicted that unless the boll weevil is eliminated in the cotton fields of the south, that crop will not be grown in five years in that section.

JUST GOT OVER A COLD

Look out for kidney troubles and backache. Colds overtax the kidneys and often leave them weak. For weak kidneys—well, read what a Chestertown woman says:

Mrs. S. Pfeffer, 102 Cannon St., says: "I can recommend Doan's Kidney Pills to anyone in need of a kidney remedy. I have used them at different times when my kidneys were troubling me and they have never failed to give relief. The least cold I took settled on my kidneys and my back became weak and painful. Mornings I felt dull and sluggish and the action of my kidneys was irregular. Doan's Kidney Pills, used as directed, were the right remedy for me and soon put a stop to the backaches and other signs of kidney trouble."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Pfeffer had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.
