Five years ago we opened an "EXCLUSIVE SHOE STORE" in the little store room of the Toulson Bldg. At a small expense, with but one purpose in view, namely, "TO UNDERSELL," public opinion has decreed that we have succeedd from the start.

Five years increased business has enabled us to buy and sell in larger quantities at lower prices, thus giving you extraordinary values. By virtue of power contained in a Bill herewith published there will be an election held

Monday, May 15, 1922

at the Court House, in Chestertown, Md., between the hours of 9 a. m. and 6 p. m., for the purpose of voting for or against a Bond Issue for Chestertown, the particulars being found in the following bill:

LAWS OF MARYLAND.
January Session, 1922.
SENATE BILL NO. 320.
Chapter 173.
A BILL ENTITLED

AN ACT to provide for a bond issue by the Commissioners of Chestertown, Kent County, Maryland, for the improvement of the streets of said town and to submit to the legally qualified voters of said town the question of whether or not said bonds shall be issued.

Section 1. Be it enacted by the General Assembly of Maryland, That the Commissioners of Chestertown are hereby authorized and empowered, in their discretion, and subject to the provisions of Sec. 4 of this Act, to borrow upon the faith and credit of the said town a sum not exceeding $50,000, and to issue and sell coupon bonds therefor in sums of not less than $100 or more than $1,000, each to be signed by the President of the Commissioners of said town, and to be countersigned by the clerk thereof, and the seal of said town attached. Said bond shall be known and designated as "Street Improvement Bonds," and shall bear interest at the rate of 5 per cent per annum, payable semi-annually on the first day of January and July in each and every year until the said bonds are paid; said bonds shall be exempt from all State, County and municipal taxation, and shall have printed on them a distinct reference to the Act authorizing their issue.

Sec. 2. And be it further enacted, That said bonds shall be so issued that two thousand dollars thereof shall become due and payable on the first day of July, 1924, and two thousand dollars thereof on the first day of July in each and every year thereafter until the whole amount so issued shall have been paid, and said bonds shall be sold at public or private sale in such amounts, not less, however, than $500 at any one time, and not exceeding in the total the said sum of $50,000, and at such time as the Commissioners of Chestertown, in their discretion, may deem proper. It is especially intended that the power hereby vested in said Commissioner shall be a contining power until the whole $50,000 of bonds shall have been issued and sold.

Sec. 3. And be it further enacted, That the money arising from the sale of said bonds shall be paid to the Commissioners of said town and by them be deposited in some safe bank, and shall only be drawn therefrom on checks signed by the President of said Commissioners and countersigned by the clerk, and the said clerk shall keep in a book for the purpose a full registry of the bonds sold, the number of bonds and name of purchasers and the amount realized on the sale and any transfers and assignments of the same. The said funds shall be available for the improvement of the public streets and sidewalks of said town.

Sec. 4. And be it further enacted, That the question whether said bonds shall be issued by the Commissioners of Chestertown shall be submitted to the registered and qualified voters of said town at a special town election to be held on

MONDAY, MAY 15, 1922,

and there shall be printed on each ballot the words

"For Street Improvement Bonds"
"Against Street Improvement Bonds,"

the same to be printed on the ballots so as to give the voter an opportunity to designate by a cross (X) in a square or box opposite the above-mentioned words, his answer to such question.

If a majority of those voting on the question at said election shall be in favor of issuing the above-mentioned bonds, then this Act shall immediately become effective, but if a majority of those voting on the question shall be against the issuance of said bonds, this Act shall be of no effect and the said bonds shall not be issued.

Sec. 5. And be it further enacted, That this Act is hereby declared to be an emergency law and necessary for the immediate preservation of the public health and safety, and the same being passed upon a yea and nay vote, supported by three-fifths of all the members elected to each of the two Houses of the Generaly Assembly, shall take effect upon the date of its passage.

Approved April 13, 1922.

NOTES OF INTEREST VIEWED FROM MANY ANGLES

Washington College has a local Ty Cobb in Griffith, who is one of Coach Kibler's baseball "finds." Griffith can race to first so fast that a bunt or an infield grounder must be handled just right to stop him. This was demonstrated at Chester, in the Pennsylvania Military College game. Griffith hit a slow grounder to short and raced for first. The short stop came in on the apparently easy out in a somewhat listless fashion. Griffith landed on first easily. Infielders can't catch Cobb by taking their time on easy ones and they've got to get right after the ball to stop Griffith.

Third baseman Johnston is another fast man on the paths and he can manipulate the most beautiful hook slide ever seen on the local field, with the possible exception of ones pulled off by Coach Kibler. In the game with St. John's the other day Johnston demonstrated unusual ability along this line, making three beautiful, well executed slides during the contest. Coach Kibler has tried to learn this brilliant bit of baseball to all the Washington College players. Duffy and Flowers both can execute a good one, but Johnston is Captain Kibler's real understudy along this line. We predict a brilliant baseball future for Johnston.

Messrs. Walter R. Strong, R. Hynson Rogers and other local lovers of fishing are making active preparations for the coming season, getting their boats and tackle in shape, equipping themselves with more convenient apparatus and brushing up in general for the coming events.

The white sails of our local fleet of sail boats have been in evidence upon the Chester river this week. The season is at hand when the sail boat owner and yacht owner will have his innings.

We recently read the statement in a paper to the effect that only the game fish swims up stream. This sounds first rate, but is it so? You could hardly call the shad, the herring and other such fish game fish, yet they all come from the sea and swim up the rivers of the Eastern Shore.

The Wash. Col. team went on their southern trip this week, playing five games. Messrs. Warren & Townhsend, a local insurance firm, took out insurance policies against rain for these games. They also have a policy on the American Legion game for the last of May.

Washington College journeyed to Chester, Pa., last Saturday and defeated the Pennsylvania Military College team by the score of 7 to 6, in a hard-fought game. Washington jumped on the P. M. C. twirler in the first inning and hammered him for four runs, driving him from the box and clinching the game. Left-hander Bradford did the pitching honors for Washington and kept ahead of the home team all the time. In the Eighth inning, with a P. M. C. man on second, Wright, a wonderful relief pitcher, went to the mound and clamped the lid tight. The whole team did good work. Duffy was robbed of a homer when a net received a hard-hit ball in the field.

When Kenneth Williams hit his 10th homer of the season in the fifth inning of the St. Louis-Detroit game this week, he set a record ahead of Babe Ruth last season at this time.

Mt. St. Mary's College will play the Washington College team here on Friday, May 19. This will likely be a hard-fought game.

Cambridge claims to have the most complete baseball plant in the state outside of Baltimore. The grandstand will seat 800 people and is equipped with eight boxes of six chairs each, and has its ground floor made into dressing-rooms, with showers, a feature not before enjoyed by the players of any town outside of Chestertown. Manager Kibler expects his team to be in first-class shape for the opening of the season, and expresses the hope that they will be jump into the lead from the start. One, and perhaps the hottest and closest races ever seen on the Eastern Shore, may be looked for. Chestertown will, of course, be rooting all the time for Coach Kibler's team.

A match between Dempsey and Carpentier is quite likely for the near future to be held in Pershing Stadium the day before the Grand Prix Race, in Paris, sometime in June. A purse of $490,000, 75 per cent to the winner and 25 to the loser, has been offered for the match.

Morvich, the wonder horse of last year, will perhaps be the wonder horse of this year. He is a close second to Man-of-War, the fast horse of the age, and many believe he can outstep the champion this year. This wonderful animal is owned by Benjamin Block of New York. It is said that Morvich is the horse with a million dollar disposition. He travels with ten attendants and a private car.

Chestertown fans organized a baseball team on Monday night, composed of all home players. This team, in condition, can beat any home team on the Shore and make any team organized on the Shore hustle. It is composed of individual stars of brilliant lustre and we expect them to have a most successful season.
