

Model 22-45

## The Standard of Comparison

VALVE-IN-HEAD Buick MOTOR CARS

For years, Buick Model 45 five passenger touring car has been the standard by which open cars have been judged.

It possesses in the highest degree those qualities of graceful strength and refinement that suggest at once dependability, comfort and power.

Today, Buick Model 22-45 is repeating in fullest measure the success of other years.

**SACHS' SERVICE SHOE STORE**
**5th Anniversary Spring Opening.**

Five years ago we opened an "EXCLUSIVE SHOE STORE" in the little store room of the Toulson Bldg. At a small expense, with but one purpose in view, namely, "TO UNDERSELL," public opinion has decreed that we have succeedd from the start.

Five years increased business has enabled us to buy and sell in larger quantities at lower prices, thus giving you extraordinary values. Five years of constant application to one particular line, caerfully fitting all feet, guarding against any misfits, and selling only the very best makes of shoes, have gained for us the good will of all our customers extending over a radius of fifty miles or more.

Our best advertisement is our customers.

There are no complaints, because we make good any unsatisfactory purchase.

All foot troubles relieved.

THE UNIVERSAL CAR

The Ford One Ton Truck is serving business just as faithfully and economically as does the Ford Touring Car serve all the people faithfully and economically. The Ford Truck is a necessity to the grocer both in delivering goods and in bringing goods from the stations, docks and from the country. It is an ideal motor car because there isn't a want of the farmer or business man that it doesn't supply in the way of quick transportation at a minimum expense. Come in, examine the Truck, and let us talk over the subject.

**An AEROLUX Haven of Comfort**

A sizzling, blistering summer's day—pedestrians passing with wilted collars and torrid dispositions—the folks next door chasing the elusive, shady portion of their open porch—and you as cool as the proverbial cucumber behind your AEROLUX Shades.

Are you missing it! Is your porch too hot for rest—too public for comfort? AEROLUX will convert it into the coolest, airiest, most comfortable room in the home.

On such a porch mother can relax from the cares of a summer household. Baby is always ready for the refreshing daily nap—no need to coax, for the porch is airy and secluded. It's an ideal place for sister to entertain. And dad—it's his favorite location! He claims the most comfortable corner the very first day—and is secluded enough so that he can slip off his shoes without being arrested.
