

Buick Takes Care of Buick Owners

Buick responsibility does not end with the sale of a Buick car. It follows the car throughout its entire life.

That is why Buick has organized a nation-wide authorized Buick service that extends to practically every city, town and village in the United States.

Buick owners do not need service often. But they have the comfortable feeling of knowing that they can always be supplied with genuine Buick parts and have their work done by Buick-trained mechanics wherever they may happen to be.

PORCH SHADES

An AEROLUX Haven of Comfort

A sizzling, blistering summer's day—pedestrians passing with wilted collars and torrid dispositions—the folks next door chasing the elusive, shady portion of their open porch—and you as cool as the proverbial cucumber behind your AEROLUX Shades.

Are you missing it! Is your porch too hot for rest—too public for comfort? AEROLUX will convert it into the coolest, airiest, most comfortable room in the home.

On such a porch mother can relax from the cares of a summer household. Baby is always ready for the refreshing daily nap—no need to coax, for the porch is airy and secluded. It's an ideal place for sister to entertain. And dad—it's his favorite location! He claims the most comfortable corner the very first day—and is secluded enough so that he can slip off his shoes without being arrested.

DONT WAIT FOR FOOT TROUBLE

TO PREVENT IT

RIGHT NOW—while your feet are yet good and healthy—why not wear shoes that will keep them well? We know the correct shoe for your foot and fit you carefully. Little Pains and Aches do not necessarily indicate weak arches, but are often warning, that unless your feet are properly fitted, future troubles will be the penalty.

Our prices are usually lower and our shoes wear longer.

We have a large selection of all makes and can fit all feet.
