CONSIDERING the fact that the nomination for a Congressman from this district is less than a month off, the fight is certainly by no means a warm one. The three candidates, Hon. T. Alan Goldsborough, Mr. Albert Sisk and Mr. Jackson are still in the race for the nomination. Mr. Sisk has an advertisement in this issue setting forth his campaign issues.

ON Wednesday the farmers of the county will hold their annual picnic on the Washington College grounds. These picnics are usually well attended by our farmers and the speeches delivered by the agricultural experts are always interesting and instructive. Mr. H. B. Derrick, our efficient farm demonstrator, is promoting this affair and we have no doubt that it will prove as successful as those of former years.

THERE have been marked developments in the Senatorial situation in the state during the past week. Mr. William Cabell Bruce,whose announcement for the Democratic nomination was mentioned in our issue of last week, has been endorsed by Messrs. Mahon and Kelly, the leaders of the Baltimore City Democratic organization, by Messrs. John Walter Smith and John M. Dennis, leaders of the state organization. Others who have declared for Mr.Bruce are State Comptroller W. S. Gordy, Mr. Carville Benson, of Baltimore County, and Mr. Harvey Cooper, of Caroline County, and the Baltimore Sun. Mr. Bruce will undoubtedly make a strong fight for the nomination. Mr. Bruce has made no statement as to his platform, other than that he is in favor of the modification of the Volstead Act, allowing the sale of light wines and beer.

Mr. David J. Lewis and Mr. William I. Norris are both making the campaigns for the nomination.

Senator France has received the endorsement of Republican Organization leaders in Baltimore City and in some counties of the state for the Rpublican nomination. Mr. John W. Garrett, the other candidate, has also been endorsed by prominent Republicans.

SPORTS

Continued from page 8

Looked at from every angle, Clyde Walls is the best ball player on the Shore, in our opinion. Walls is a most timely batter, a good third baseman or fielder and can go in and catch the best game imaginable. Walls has recently been playing third base for Centreville and doing it well. In top notch practice we doubt if there is a better player in the Eastern Shore League.

Sudlersville defeatd a patched-up Chestertown team Wednesday, 7 to 0.

Pitcher Douglas has been dropped from the New York National League team because of an alleged plot to drop games. In dealing this way with offenders who are aiming at the heart of the game, Judge Landis is adopting the only means of keeping clean a sport which has withstood the criticism and challenged the honesty of its many admirers for five decades or more.

Horseshoe pitchers of the nation will meet to reorganize the sport on a national basis at their tournament to be held at Des Moines, in connection with the Iowa State Fair, Aug. 23 to Sept. 1. With 1,000,000 players it remains to establish a central body to control the game.

The baseball schedule for next week is as follows:

Tuesday, Aug. 22—Centreville at Chestertown; Easton at Oxford.

Thursday, Aug. 24—Oxford at Chestertown; Easton at Centreville.

Saturday, Aug. 26—Chestertown at Easton; Centreville at Oxford.

Mr. Spencer Peterson is the real horseshoe champion. In a three-cornered game Wednesday evening, Mr. Peterson threw 38 ringers in six 25-point games.

There is the usual pre-season talk in Chestertown regarding the football prospects at Washington College this fall. While there is some rumors of exceptionally good talent being imported here (and by the way, the same rumor was current last year), we expect Coach Kibler will have the same difficulty he has been experiencing since the war, of constructing a well-organized and highly-efficient aggregation from rather poor material. It matters little how hard a coach tries to build a football machine, if he has not the men to do it with, its mighty hard sledding.

Centreville will play Chestertown on Washington Field next Tuesday afternoon. This will be the last appearance of the Centreville team here during the league season.

Chestertown made four runs in the ninth inning in the game with Easton here Thursday afternoon and snatched a victory from what looked to be almost certain defeat. In this inning the Chestertown sluggers connected for five straight hits. Chestertown scored twice in the first inning and held the lead for several innings, but Easton continued to make runs and when the final period came around they held a lead of 7 to 4. The final score was 8 to 7. Easton, because of a mishap, kept a fair crowd waiting until nearly five o'clock before the contest was started.

Chestertown continues to hold a safe lead in the Tri-County League race. The clubs now stand as follows:

	W.	L.
Chestertown	9	3
Centreville	6	5
Easton	5	7
Oxford	4	7

—The bridge spanning Chester river at Crumpton is being replaced by a new bridge and all traffic will be suspended until the new bridge is completed. This will be a greatly-needed improvement.

VOTE IN THE PRIMARIES FOR
ALBERT W. SISK

For Repeal of the Volstead Law. Modification of the Eighteenth Amendment

STANDS FOR GOVERNMENT CONTROL OF ALCOHOLIC LIQUORS

SOME REASONS WHY

FIRST.—He favors the repeal of the Volstead Law and such a modification of the 18th Amendment as would make impossible the return of the Saloon, and place control of all alcoholic liquors in the hands of the Government; the Government to control its manufacture and guarantee its purity, also to distribute it with such safeguards and penalties that will insure its being done with due regard for the morals of the people. Today as all informed people know, it is being made and sold without any regard whatever for the morals of young or old.

He believes this plan will drive the travelling saloon and all other private interests out of the liquor business, and is thoroughly convinced this to be the ultimate and only solution of the liquor problem which faces the country today.

He further believes the adoption of this plan would make unnecessary the existence of the Anti-Saloon League.

Look for next week's issue for some startling facts and statistics.

SECOND.—Col. Sisk is not permitting the above issue to cloud other questions of the day.

He believes our government has grown too paternal which has a tendency to destroy individual initiative which is so necessary to the upbuilding and success of any career.

Too much government is more harmful than too little.

Bureaus without number have been established in the last few years, the heads of which are authorized to make rules and regulations which are, in effect, laws that enter into every intimate relation of social and business life. He believes that Congress is the proper law-making body under our constitution and that these Bureaus should be abandoned or deprived of legislative authority. Too much government is one of the immediate causes of high taxes. There is a great need of reducing both, especially our taxes.

THIRD.—He was born and educated on the Eastern Shore. His life has been spent here and his interests are its interests. His success in farming, fruit growing, and the distribution of canned products, has placed him in direct touch with the principal interests of the people of this section.

The Evening Sun of June 12 said: "Mr. Sisk is the type of man of which more are needed in Congress today." An editorial in the same issue declared, "He is seeking political office with no thought of personal gain, and that he is in no way allied with the liquor interests."

FOURTH.—The fact that Col. Sisk has not been dictated to in his campaign utterances is a pledge that his hands are not tied, and that his statements are the result of honest and independent thinking.

He believes we can never better man's condition by forbidding him to do things because he might over do them. To become men, strong in purpose and character, we must have freedom. To grow, we must work out our own salvation, learn by experience and suffer the consequences.

Farmers—Are you behind in your plowing? Do you need plowing done? Arrangements can be made to have it done with the Fordson Outfit. See C.A. Goodwin, Chestertown, Md. a19-3t.

REPUBLICANS OF MARYLAND

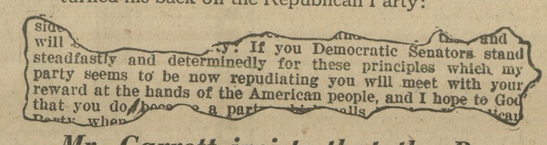

Your Duty To Your Party Is To SEND

John W. Garrett
to the
United States Senate!

Senator France, on March 2, 1922, on the floor of the United States Senate, repudiated the Republican Party.

Here is the Actual Proof!

This is a photographic reproduction of a section of Page 3616 of the Congressional Record of March 2, 1922. Read where Senator France turned his back on the Republican Party:

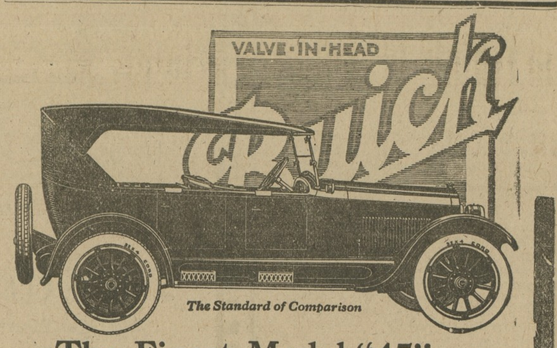

will ... If you Democratic Senators stand steadfastly and determinedly for these principles which my party seems to be now repudiating you will meet with your reward at the hands of the American people, and I hope to God that you do ... a part ... in ... Democratic

Mr. Garrett insists that the Republican Party has NOT departed from its high principles; nor has it become apostate, as Mr. France charged on the floor of the Senate on March 20, 1920.

VOTE FOR
John W. Garrett

And send to the Senate a true Republican, one who will adhere to the principles for which the Republican Party stands.

The Finest Model "45" Buick Ever Built

The 1923 Buick "45" has taken the country by storm. Always a favorite, this model reaches the highest pinnacle of value ever attained.

Stand off and note the snappy lines, the higher hood, the full crown fenders, sturdy artillery wheels, drum-type head and cowl lamps, the low khaki-lined top. Then *sit* in the car. Here is comfort equalled only in the costliest automobiles.

The upholstery and trimmings are of the finest quality, the instrument board is equipped with richly finished instruments, the control lever is at finger's end, the cowl ventilator control and windshield wiper are within easy reach.

Test the new rear cantilever springs—you will be amazed at the difference in riding comfort. Lock the handy transmission control and know that this feature, with others, gives Buick a low rating by insurance underwriters. Even the famous Buick Valve-in-Head motor shows important changes—higher cylinder block, larger connecting rods and pistons, larger crankshaft, with pressure feed to main bearings.

The Buick Line for 1923 comprises fourteen models:

Fours—2 Pass. Roadster, $865; 5 Pass. Touring, $885; 3 Pass. Coupe, $1175; 5 Pass. Sedan, $1395; 5 Pass. Touring Sedan, $1325; Sixes—2 Pass. Roadster, $1175; 5 Pass. Touring, $1195; 5 Pass. Touring Sedan, $1935; 5 Pass. Sedan, $1985; 4 Pass. Coupe, $1895; 7 Pass. Touring, $1435; 7 Pass. Sedan, $2195; Sport Roadster, $1625; Sport Touring, $1675.
