INSTRUCTIONS TO VOTERS

1. To vote. Enter room, step up to guard rail, give name and registered residence to the Judges. Wait until your name is found upon the registers, then get ballot from the judge in charge of the ballots. See that he has written your name and number on the coupon attached to the ballot and his own name or initials on the back of the ballot itself.

2. Upon receiving your ballot retire to one of the booths or compartments and prepare your ballot by marking with an indelible pencil after the name of every person, or persons for whom you wish to vote, and to the right thereof, in the blank space provided therefor, a cross-mark, for example (X); and in case of a question submitted to a vote of the people, by making likewise in the appropriate space a cross-mark (X) against the answer you desire to give.

If you wish to vote for some one whose name is not printed on the official ballot you can write the name of such person in the blank space on the ballot provided for that purpose and place the cross-mark opposite such name in the blank space provided therefor.

3. In marking the ballot you may take with you into the polling place any written or printed memorandum or paper to assist you in preparing your ballot, except a facsimile of the ballot to be voted, but in the counties of Anne Arundel, Calvert, Charles, Kent, Prince George's, St. Mary's, it is unlawful to take into the polling place any stencil, rules, measurer or any other mechanical device of any material or form as a means of aid, guide or assistance in marking your ballot. You must prepare and deposit your ballot without undue delay. Before coming from behind the curtain in front of your compartment you must fold your ballot in the same way as it was folded when you received it, so that the marks which you have made upon it shall be entirely concealed. You then hand your folded ballot to the judge at the ballot box, give him your name and registered address and wait until he tears off the coupon containing your name and number, and strings it, and deposits your ballot in the ballot box. You must then leave the polling room and can not again go behind the guard rail during the day.

In Baltimore City and all of the Counties of the State except Anne Arundel voting for more candidates than there are offices to fill only invalidates the vote for that particular group in which the mistake occurs, but in the counties of Anne Arundel and Worcester, the whole ballot will be rejected in such event.

4. A voter must not go in any compartment occupied by another or converse with any other voter while engaged in a compartment, nor can he occupy a compartment more than seven minutes if others are waiting.

5. You must not take any ballot outside the guard rail. If you spoil a ballot you must deliver the spoiled ballot to the judge in charge of the ballots and receive another from him. If you spoil three ballots you lose your vote.

6. A voter who is physically disabled from marking his ballot must make affidavit to that effect if he desires assistance. The two polling clerks after such an affidavit has been made, can accompany him into the compartments and there mark his ballot as he instructs them, marking only the names of the candidates whom he shall name. The clerks are not allowed to read the ballot to him.

7. Any voter who shall allow his ballot to be seen by any person with the apparent intention of letting it be known how he is about to vote; or place any distinguishing marks upon his ballot, of who shall make a false statement as to his inability to mark his ballot, or who shall interfere or attempt to interfere with any voter when inside the enclosed space in the polling room, or when marking his ballot, or who shall endeavor to induce any voter before voting to show how he marks or has marked his ballot, shall be punished by a fine of not less than five ($5.00) dollars nor more than one hundred ($100.00) dollars, or by imprisonment in jail for a period of not exceeding sixty (60) days, or by both fine and imprisonment in the discretion of the Court.

—The season for tonging oysters in Maryland waters opened yesterday, Sept. 1. Present indications point to a large catch this year. Deputy commanders of the oyster fleet report that no new chop of mussels, which seriously hampered the waterman's operations last season, has appeared in the lower part of the state. Preliminary inspections, however, have indicated that oysters of satisfactory size are present in large numbers upon the bottoms. Between 5000 and 6000 watermen probably will be engaged in tonging operations.

Why Do They Do It?

What makes people fill one theatre night after night for 443 nights for one play and stay away from another theatre with another play, as though it were a plague spot?

One play is doubtless as widely advertised as the other and the casts of both are probably equal in ability. And yet the crowd goes to one and stays away from the other.

Of course the answer is plain. One has merit; the other has not. The play which is to be given on the Chautauqua program is one of the few good ones, the few which have had exceptionally long runs in New York and Chicago, this proving without a doubt that "they have the goods."

"Turn to the Right" ran 443 nights in New York and 319 nights in Chicago. It is called "the comedy that will live forever." It has the heart interest of the ever-compelling story of mother-love. It is clean. People who are familiar with the Chautauqua type of play agree that this is a fine example of the type.

A special single admission price of $1.00 is announced for the attraction, but season ticketholders will escape this extra tax. This looks like an opportunity for lovers of drama, especially comedy-drama.

Setting A Good Example

Any form of distinctive or denominational religious teaching is very properly barred from our public schools; yet the fundamental principles which underlie all true religion—love of the Creator through understanding of and sympathy with the creatures He has made; love of man through the control of the egoistic instinct and the development of the altruistic, the practical and universal application of the Golden Rule can by the wise and loving teaching always be instilled through systematic humane education.

All thinkers in this country must realize that the greatness of our privilege, the greatness of our opportunity involve a corresponding responsibility. The eyes of the world are upon us. Shall we not set an example worthy of imitation?
