THIS BANK STANDS GUARD
CEASELESSLY PROVIDING
YOUR FUNDS WITH PROTECTION

This Bank has prospered on the confidence engendered by its convenience and safety features. It has always been our aim to add to these whenever possible, and to ever be on the lookout for chance of improvement.

We have provided in every way for the safety of funds entrusted to us. Recently we have added a new link to this chain of safety-insured checks.

Every Depositor of the THIRD NATIONAL BANK of Chestertown is Positively Protected against loss through fraudulent alteration of his checks.

Regardless of the pains which banks have heretofore taken in protecting their clients, there has always existed the possibility of fraudulent alteration in personal checks, but this problem has now been practically solved by the unusual protective feature which we are now offering. In adopting Super-Safety Insured checks for our bank we are in a position to offer, free of charge, a check insurance bond of $1,000.00 to each depositor with a checking account, whereby he is protected to the face value of the bond from fraudulent alteration of his personal checks.

This bond is issued by the Hartford Accident and Indemnity Company. We shall be glad to explain in detail the merits of this new service not only to new customers of the bank, but to such old customers as may be desirous of receiving this free service.

We suggest that you call and learn in detail the advantages of this new and attractive service to our banking clientele.
