Clendaniel, Secretary and C. A. Goodwin, Treasurer.

It was decided at this meeting to employ a man to act as secretary the directors, who will devote his time to the association, and under the direction of the directors, will work for a more prosperous and better community.

Farmers Decide Thirty Cents A Fair Pirce For Tomatoes

Under the direction of the Kent Co. Produce Exchange, tomato meetings have been held by the farmers of the following communities: Harris' Wharf Broad Neck, Chestertown, Worton, Betterton, Buck Neck, Tolchester, Blacks, Millington and Lynch.

Similar meetings either have been held or will be held in all other tomato centers in Kent County: Worton Point, Quaker Neck, Kennedyville, Turner's Creek, Shallcross, Wharf, Crumpton, Rock Hall, Galena, Golts, Piney Neck and Still Pond.

The unanimous report from all of these meetings is that the farmers should receive thirty cents per basket for tomatoes this year, and that he cannot afford to grow them for any less. This figure is based upon the cost of production of tomatoes in Kent County, and is very reasonabel from the standpoint of the selling price of other farm produce.

—The Short Transit Line on Wednesday began its passenger route between Salisbury and Claiborne with two busses. On Friday their line between the Rock Hall Ferry and Chestertown, Centreville and Easton was started with two busses. After next week a complete schedule will be made public.
