Resolutions of Respect

At a called meeting of the Official Board of the Betterton M. E. Church on Feb. 11, 1923, to take action on the death of brother Wm. H. Kelley, the following resolutions were passed:

Whereas, in the dispensation of His providence, it has pleased our Heavenly Father to call from the church militant to the Church Triumphant our beloved brother, Wm. H. Kelley, a faithful and valued member of the Official Board of the Betterton Methodist Episcopal Church, therefore, be it

Resolved, That in the death of Brother Kelley our church has been called to mourn the loss of a faithful and consistent member, one who ever manifested a deep interest in the spiritual and material welfare of his church, and the advancement of Christ's kingdom.

This splendid Christian man, so rich in faith, so liberal to every worthy cause, so kind and solicitious for the welfare of others, won the love and esteem of all who knew him. We will ever cherish the memory of his beautiful life and the assurance that he was "faithful to the end" and fully prepared to go when the message came calling him Home, and be it

Resolved, That we extend to the bereaved family our sincere and heartfelt sympathy in this their dark hour of sorrow and grief, and commend them for comfort to the Blessed Saviour, the great and true Comforter, with a prayer that he will reveal unto them the tenderness of His love and sympathy, and be it

Resolved, That a copy of these resolutions be spread upon the church records, a copy sent to the bereaved family and a copy sent to the county papers for publication.

W. REESE YOUNG,
Of the Board of Trustees.
ERNEST W. HORSEY,
Of the Board of Stewarts.
MRS. ARTHUR M. BRICE,
President.
ELIZABETH M. BRICE,
Secretary of the E. L.
(Of Betterton M. E. Church.)

SPORTS

(Other Sports On Page 7)

Goettige, the great football star of the Marine Football Team, styled by experts as one of the best football players of the year, played center for the Marines against W. C. on Thursday evening in a game of basketball.

The Chestertown High School has a fast basketball team this year. They have won four and lost none. The team is composed of Chapman and Kirby, forwards; Jones, center; Nickerson and Chaires, guards. This team defeated the Easton High School team on Saturday evening last by the score of 16 to 15.

The Marine basketball team, of Quantico, which W. C. defeated somewhat handily a few weeks ago, made the local collegians hustle on the home floor Thursday night, especially in the first half. In fact, it was not until about the middle of the second half that Washington really gained the verdict with a substantial lead.

The team was in a decided slump, considering the form which it has been displaying. Gordy was somewhat off, Dumschot was like a streak, but was missing many that he should have gotten, and, ordinarily, would have gotten; Carrington was missing his long shots right along; while Carroll was away below his usual form; Fiore, however, was a veritable "bear-cat" on the defense, being so strong that he carried the fight right up under the Marines basket many times. Toward the close of the second half, however, Gordy struck his stride, Dumschot and Carroll became two human "streaks," as they set a pace that killed; while the smiling and cool-headed Carrington found his mark. This did not, however, hinder the aggressive work of Fiore, who played the game with every ounce of strength and stamina he possessed. His work was perhaps the best he has displayed this year on the local court. And the pace this aggregation of stars set from the beginning of the second half on soon told on the visitors, with the result that in the second half they made but seven points, while in the first they made seventeen.

The Marines unloosened an attack at the beginning of the game which appeared to dazzle the local team during the first half. After scoring first, the Marines held the lead and at times increased it to six points, until near the close of the first half, when the wizard, Carroll, who usually jumps to the zenith of his ability when the occasion demands it, caged the ball, tieing the score; Gordy then gave W. C. a two point lead slightly before the bell rang.

The second half found W. C. determined to win out and the Marines fighting desperately to regain the position they had been holding. After about eight minutes of the first half had been played, the score stood 22-22. Then Washington found herself, and literally sweeping the Marines from their feet, run up the score to 37 while the Marines were unable to get but 24.
