THE THIRD NATIONAL BANK

OF CHESTERTOWN MD.

The Only National Bank in Kent County

"THE BANK WHERE YOU FEEL AT HOME."

This Bank offers a prize of $25.00 to the Girl or Boy between the ages of 10 and 18 years who will deposit sytematically and build up the largest balance in the Savings Department of this bank between January 1, 1923, and December 31, 1923. It will be necessary to call the attention of the bank officials at the time the initial deposit is made, that you are entering the contest. Now, do not delay in opening the account and just see how much you can save (by making some small sacrifice) during the incoming year. You will be rewarded for your efforts two-fold. We wish you a PROSPEROUS NEW YEAR.

Respectfully,

THE THIRD NATIONAL BANK

OF CHESTERTOWN MD.

ROSE BUD FLOUR CONTEST

Held Saturday Last In Chestertown—A Large Exhibit

The Rose Bud flour baking contest, held last Saturday at the Business Men's Association rooms in the Imperial Hotel by Mr. Medford Brooks, was a big success. There were 68 beautiful loaves of bread, made from Rose Bud Flour, which represented 68 contestants. These contestants were from all parts of Kent and Queen Anne's counties. A great deal of interest was shown by the users of Rose Bud flour and quite a number of people came to see the large lot of bread which was displayed on a large table, each loaf having a number on it. The judges, Miss Susie Hill and Miss Annie Copper, cut each loaf in half as they judged it. The first prize of $15 was awarded to Miss Genevieve Brown, daughter of C. C. Brown, of Quaker Neck; the second prize to Mrs. Julian Jones, of near Chestertown; and the third prize to Mrs. J. F. Baxter, of Queen Anne's county, near Chester bridge.

MAPLE AVENUE TO BE PAVED

Town Taxpayers Meet and Decide To Extend Proposed Stone Road From Curb To Curb

The Town Commissioners of Chestertown have been assured by Mr. Mackall, director of public works of the State of Maryland, that the money for the paving of Maple avenue would be in hand the latter part of this year. It might be noted that these three blocks of dirt road are the only break in the stone road from Ocean City to Wilmington and other cities to the north. If the money for the paving of this street will not be in hand until the latter part of the year, it is possible that the work cannot be done until the spring of 1924 and the town people might have to plough through the mud of this much-used street for another winter.

The cost to the state of putting a fifteen foot stone road on Maple ave. would be approximately $6000 and the cost to Chestertown to put in the additional five feet with a curb and gutter will be $4000, making a total of $10,000.

At a meeting of the taxpayers held Monday evening it was moved, seconded and carried that the mayor, Charles N. Satterfield, should appoint a committee to provide ways and means for raising $10,000, by individual loan; $6000 of which is to be paid back by the state and the remaining $4000 which is to be the town's expense, to be paid back by the town within a period of five years. The committee appointed is composed of W. B. Usilton, Chairman, P. M. Brooks, Jesse Medders, J. D. Bacchus, James G. Beck.

30C FOR TOMATOES

Reducing the Production of the Cost of This Crop

On March 6 the Phillips Packing Co. contracted with the Cambridge Growers' Association for not less than 500 acres of tomatoes at 30 cents per 5-8 basket, with free baskets, and payments made once a week through their manager, Mr. A. B. Cochrane, Cambridge. This information was contained in a letter received by County Agent Derrick from the County Agent of Dorchester County. The Cambridge Tomato Growers' Association usually grow tomatoes on the open market. An indication of the value of tomatoes this year, according to the Phillips Packing Co., is shown by this company paying 30 cents per basket now rather than to wait for the open market price when tomatoes are picked. Another feature of this contract is the weekly payment plan.

The Cambridge Tomato Growers' Association has operated since 1917 and has helped make Dorchester county the highest market for tomatoes on the Eastern Shore for several years. According to James C. Phillips, the president, the association co-operates with the canners, as was evidenced last year when the growers refused to hire any of the workmen of the largest packing company in Cambridge who went on a strike.

The association held its annual meet- recently and declared a dividend* to all members who were in the association last year.

That the cost of growing tomatoes for canning may be materially reduced by the simple process of producing strong, vigorous plants to set in the field was demonstrated last year by 60 Cecil County growers, who received all the plants needed for 225 acres from a single plant bed at Chesapeake City.

The methods which were followed in Cecil County and the results of the demonstration are set forth in a bulletin recently published by the University of Maryland Extension Service, entitled More Tomatoes From Fewer Acres. The bulletin was prepared by A. D. Radebaugh, County Agent in Cecil County, and W. R. Ballard, specialist in vegetable gardening for hte Extension Service, who directed the demonstration.

Nearly a million plants were grown in the bed at Chesapeake City and the bulletin describes the methods which were used to secure plants of strong, vigorous character. Plants of this kind, according to Mr. Radebaugh and Mr. Ballard, are necessary if yields of tomatoes in the field are to be large enough to make production profitable. The growers in Cecil County last year secured an average yield of 8 tons per acre in comparison with an average production of about 3.5 tons for the state.

The bulletin points to the possibility of tomato growers in any community co-operating to raise all their plants in the same manner as was done in Cecil County. Copies of the bulletin are being distributed without cost by the University of Maryland Extension Service, College Park, Md.

—A slight fire occurred at the home of Mr. Wm. Capel on Kent street Friday night. The fire was extinguished by Mr. Capel assisted by Messrs. Wm. Lee and Gover Hadaway.
