When you buy field and grass seeds, look for the Simpson's Purity Brand trade-mark. It is stenciled in large letters on the bag—it's for your protection—it makes seed buying safe.

Progressive dealers sell Simpson's Purity Brand seeds. On your next trip to town see your dealer and ask him for Simpson's Purity Brand. Don't accept any other. If your dealer can't supply you, write us and we'll tell you where you can quickly obtain these dependable seeds.

CHESTERTOWN VOLUNTEER FIRE COMPANY

Did you ever wonder when the fire bell would ring,
If it was your home, where your heart did cling
And your loved ones there were waiting for you to return,
As the place you loved so dear, was the one to burn.

Let us stop a minute and with words of cheer,
Say I will assist and help our worthy volunteer,
Who will ever hesitate or on them cast a frown,
Just remember they are laboring to save our old home town.

As with thoughtful mind extended,
And before life to all of us is ended,
Let us all come forth and with a voice so clear,
Say with one accord, I will aid the volunter,

They are worthy of your help and certainly of your praise,
Please therefore extend a helping hand with the money they need to raise,
For protection is certainly needed in our beautiful town,
Which is always gladly given by the volunteer firemen of Chestertown.

When the committee calls to see you, asking for your aid,
Let us all respond promptly for the nobly their part do play,
Equipment they are in need of and it must be up to date,
As you know fires are dangerous and they might be too late.

Think how they come forth any hour of the day,
Jump right in to fighting fires and noblp their part do play,
Just for you and me, our humble homes to save.

Every business must be financed in order to make it go,
Therefore on the fire company, this same thing we should bestow,
Nothing lasts forever and up to date should be,
Then let us all give gladly as we are able don't you see?

Hose and Buckets, Ladders and a Truck,
Are needed by these men, as they show their pluck,
And the response should be promptly, so all danger can be met,
Then no one will worry or have cause for any regret.

Money makes the world go, as we all surely know,
Volunteer firemen without the means, have a hard row to hoe,
Let us all sign up and promptly as our means will permit,
Thankful then we all will be for doing our humble bit.

Then soon as the gong is sounded, forth they will come,
Fighting like an athelete to save our happy home,
Commendation we should give them and full equipment too,
Because they volunteered so freely and brought happiness to you.

Therefore in conclusion as the end draws near,
Say without hesitation, I will aid the volunteer,
A collection we will give them when the time rolls round,
firemen of Chestertown.
To show our deep appreciation of

Who have done in days gone by and now are doing their noble part,
To save and preserve our home so dear to every heart,
And we then can stand together and with a voice so clear,
Shout the praise forever or our worthy volunteer.

Jesse Medders.

Gets Damages For Injury

The House in Congress last week passed a bill offered by Senator Ball, of Delaware, providing for payment by the Federal Government to George Dare Hopkins, a lawyer of Wilmington, formerly of Colora, of $1500 damages for personal injuries sustained on April 17, 1921, when his car collided with an army truck on the Elkton—Perryville State road at Bacon Hill Bridge. His car was wrecked, and he was severely injured. The bill as passed by the Senate carried $5,000 damages, which the House cut to $1,500. Another bill of Senator Ball's for payment of $1,000 to Miss Alice Gorman, also of Wilmington, for personal injuries sustained in the same collision also passed the House, which cut the amount awarded from $2,500 to $1,000.

—An attempt to kidnap har daughter by a mother who abandoned her child when an infant of a few months old, took place in Salisbury this week.
