PRESENTS .MEDAL .TO .FRANK GREENHAWK

In Recognition of His Work in France For Boy Scouts—Presented By Miss Morgan Committee.

Frank A. Greenhawk, formerly of Easton and now chief executive of the Boy Scouts of Delaware, has received from Miss Anne Morgan's Committee for Devastated France a handsome silver medal for services he performed in France in the summer of 1921 in the reorganization of the Boy Scouts of that country. Mr. Greenhawk was one of the four Americans sent over there to effect that organization.

The medal is of silver and hangs from a ribbon of light blue and white stripes, colors of Miss Morgan's committee. On the face of the medal is the figure of a griffon, a dog used in game hunting.

The legend surrounding its adoption for the medal is to the effect that the town of Blefrencourt was perhaps as badly devasted as any of the towns in France, and Miss Morgan adopted it as her favorite town in the matter of rehabitation. The gates of the town were hung between two pillars which were surmounted by griffons. One pillar with its griffon remained erect throughout the war, and Miss Morgan adopted the figure for metal purposes.

On the reverse side of the medal is a coat of arms bearing the motto, "Do Right and Fear No Man."

Mr. Greenhawk was for many years Manuel Training Instructor at Rock Hall and his many friends heer will be glad to hear of his success.

—The house formerly occupied by Miss Jane Blackiston on Washington Ave. was entered and thoroughly ransacked sometime within the past few weeks. Some one noticed one of the front windows open last Saturday and upon investigation found bureau drawers emptied in the floor and everything in a teriable upset condition. It is not known whether anything is gone or when robbery took place as the house has not been occupied for over a month, but snow had beaten in the window showing that the house had been entered before the recent snow storm.
