BRICE'S MILL

JOSEPH BRICE, Proprietor.

Bake things he likes with FLAVO FLOUR. It's healthful and tissue building. There is more nutrition and a sweeter taste in FLAVO FLOUR. It is made with a new process by the most modern mill in the world. Nature's food values and the delicious flavor of the wheat are not milled out as they are by other methods. FLAVO FLOUR is milled at home from home wheat. It is good. Buy it and patronize Home Industry.

DODGE BROTHERS BUSINESS COUPE

Strength And Safety In The Body Of Steel

Never was the word "safety" so frequently heard in motoring circles as it is today. Never was the need for safe traffic regulation, safe driving and motor car construction so obvious to the public.

Dodge Brothers foresaw the urgency of the safety factor eight years ago, when they began building the car which now bears their name. Instead of making touring car and roadster bodies of wood, as had been the almost universal custom, they built these bodies of steel. And, adding to value and appearance as well as sefety, they developed their now famous permanent enamel finish, which can be applied only to steel bodies because it is baked on at a temperature which would instantly reduce wood to ashes.

From this vital contribution to greater safety in motoring, came the even more important development of to-day —the closed body of steel, as exemplified by Dodge Brothers Business Sedan and Business Coupe.

In the construction of these sturdy closed cars, safety has been brought to its highest possible development. For the first time in closed car history, wood has been eliminated from the main structure of the body. Every panel, every rib, every pillar is steel. Even the door sills and window mouldings are steel.

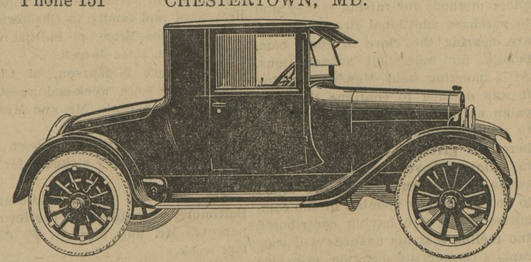

Moreover, instead of being merely rivited or screwed into place, these steel parts are electrically welded together, with the result that the entire body is one substantial unit.

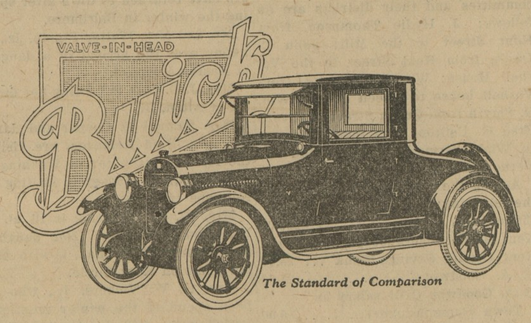

The result is a Sedan and a Coupe as nearly like the all-steel Pullman coach as it is possible to build a motor car. And yet, so skilfully is the car designed that this vital element of safety has been added without any increase in weight, and without impairing that beauty and grace of line which has always characterized Dodge Brothers closed cars.

Business Sedan $1300 delivered. Coupe $1075 delivered.

The Standard of Comparison

A Cozy, Comfortable Coupe for Three

This Buick 3-passenger Coupe is economical and at the same time exceedingly comfortable for business, professional and family use.

Its wide doors open to an interior with every refinement and convenience for perfect comfort all the year. Its fine plush covered seat is low and comfortable. Disappearing door windows and adjustable windshields enable occupants to catch the summer breeze or exclude winter's cold.

Notable improvements in engine and spring suspension have materially increased roadability and stamina.

MILLINGTON

Among those reported on the sick list since last writing are Mrs. Maria Bamberger, Miss Ethel Neal, Mr. Jas. Moore and Cornelius Comegys.

Rev. O. H. Connelly moved on last Tuesday to his new appointment at Townsend, Del., and Rev. G. F. Newton moved from near Newark, Del., into the parsonage. We are glad to welcome Rev. Newton and family in our midst. Rev. Connelly and family made many friends during the three years they were here and will be greatly missed; what is our loss is Townsend's gain. May each of these pastor have much success in their new field of labor.

Mrs. Edward S. Power, wife of the late Dr. Edward S. Power, died at her home in Swarthmore, Pa., on Thursday, April 12, from a complication of diseases. Mrs. Power survived her husband only about three months. She leaves two daughters, Miss Edith Power and Mrs. Angeline Thatcher, and two grandchildren. Funeral service was held in Swarthmore on Friday and her remains were brought to Millington by train on Saturday morning, where interment was made.

The regular monthly meeting of the Womans Foreign Missionary Society of Asbury M. E. Church was held on Thursday evening of last week at the home of Mrs. B. W. Duling on Hurtt avenue.

Services at Asbury M. E. Church tomorrow, April 22, will be as follows: 10 a. m., Sunday School, with the Supt., Harry L. Higman, in charge; 11 a. m., preaching by the pastor, Rev. G. F. Newton; 7 p. m., E. L. and 7.30 p. m., preaching by the pastor. Friday, 7 p. m., prayer meeting. All are invited to attend these services.

Our town Fire Department held a public meeting in the lobby of Hotel Bailey last Tuesday evening, which proved quite interesting. After thoroughly discussing and explaining the matter, they decided to purchase one of the latest and best fire engines, equipped with all the latest improvements. This engine has two chemical tanks, holding 50 gallons each, and operating under the Brewster system, also including 2000 feet of standard size fire hose and the engine has a pumping capacity of 400 gallons of water everym inute, under very high pressure. The meeting was called to order by president of the fire company, Mr. John A. Tobin, and several took part in the discussing and when the meeting adjourned everyone went home happy, feeling that they are sure of having some fire protection, and we trust, hope and pray that none of our sister towns will ever suffer the same fate as our town has done, by having a disastrous fire, so we are trying to protect you. This fire-fighting appartus is not bought for any community affair, but to aid and assist any farmer and all surrounding towns and we desire a public subscription from everyone, everywhere. Barclay, Sudlersville, Crumpton, Galena, Massey and Golt are earnestly requested to join with us in this great enterprise, so please send in your check or money order to Mr. Burgess Anderson, treasurer of the Fire Co.
