Ships and Shipments.

Little Johnny was seeking information from his father.

"Father," he asked, "freight is goods that are sent by water or land, isn't it?"

"That's right, son."

"Well, then, why is it that the freight that goes by ship is called a cargo, and when it goes by car it is called a shipment?"

And then Johnny wondered why father puf on his hat and sauntered outside to get the air.
