Farmers, List Your Repair Needs

It would be hard to find a farmer who at some time or another had not lost valuable time waiting for necessary repair parts. Take this territory and total up the time lost in this way and it will astonish you. And all because repairs are not odered as early as they should be.

There is no better time than right now—just before the busiest season on the farm—to go over your machines carefully, make a list of repairs you are likely to need and send it to us. With this list in our hands, we can order our stock so as to be prepared to meet every call promptly.

Repair part service is a necessary part of our business. We realize what it means to you in time and money to get what you need at once. Help us to help you by making up your list now and sending it in to us.

THAT BAD BACK

Do you have a dull, steady ache in the small of the back—sharp, stabbing twinges when stooping or lifting—distressing urinary disorders? For bad back and weakened kidneys Chestertown residents recommend Doan's Kidney Pills. Read this Chestertown statement:

Mrs. S. Pfeffer, 102 Cannon St., says: "I gladly recommend Doan's Kidney Pills to anyone in need of a kidney remedy. I have used Doan's at different times when my kidneys were troubling me and they never failed to give relief. The least cold I took settled on my kidneys and my back became weak and and painful. Mornings I felt dull and sluggish and the action of my kidneys was irregular. Doan's Kidney Pills were the right remedy for me and soon put a stop to the backaches and other signs of kidney trouble."
