DR. PAUL E. TITSWORTH ELECTED PRESIDENT.

A special committee of the Visitors and Governors met in Philadelphia Wednesday evening, August 22, and elected Dr. Paul Emerson Titsworth President of Washington College.

Dr. Titsworth is a native of New Jersey and is 42 years old. He did his undergraduate work at Alfred University and later attended the University of Wisconsin from which institution he received his Doctor of Philosophy degree.

For the past seven or eight years he has been teaching at Alfred University and in connection with his teaching he has for several years served as Dean of the University and Director of the Summer School.

His academic preparation and his experience as Dean in an accredited college with an enrollment more than twice that of Washington eminently fit him for the position to which he has been elected.

In acknowledging notification of election, Dr. Titsworth writes as follows: "I am in receipt of notification by telegraph that I have been elected President of Washington College. The institution has a long and proud record of educational service and I am highly sensible of the great honor which the Board of Governors has done me in selecting me as its head. I am looking forward, therefore, with anticipation to casting my lot with you.

"The success of a college rests upon several factors: the efficiency and goodwill of the faculty, the character and spirit of the student-body, and the sympathetic support of the Alumni and patrons. I bespeak the cooperation of all these factors—of all the friends and lovers of Washington College in raising even higher the standards of character-building and of scholarship for the years just ahead, and in making it possible for the college in raising even higher the the educational needs of Maryland and particularly of the Eastern Shore than hitherto.

"May the year about to open prove the best yet in attendance and substantial achievement. To this end I pledge Washington College the best I have to give."

We welcome Dr. Titsworth to Chestertown and hope for him success in building up the college.

UNDER a ruling of the Attorney General of Maryland, any voter who has been registered in Baltimore City, or in any county of the state, and has been a resident of Kent County for six monthsprior to Sept. 4, can register on Tuesday and vote in the primary on Sept. 10.

SECOND DEATH IN AUTO MISHAP

Mr. William Truitt Dies As Result Of Recent Automobile Accident When His Child Was Killed—Wife Dangerously Ill

Following closely his 8-year-old daughter, Mary, in death, William Truitt, of Wilmington, died Monday morning at 8.30 after a slow struggle for life, from injuries received on Sunday when the automobile which he was driving struck an abutment on the road and overturned, throwing the occupants to the ground. The accident occurred near Chesapeake City.

Unaware of the death of her husband and child, Mrs. Truitt lies in another section of Union Hospital at Elkton, suffering from a severe injury to the head and bruises about the body. News of the death of her husband and little one have been closely guarded from her, as it would be too much for her weakened condition to stand. She is in grave danger yet. Mrs. Truitt was formerly Miss Thompson and resided in Chestertown.

The same coroner's jury that, holding an inquest on the death of little Mary, came to the conclusion "that she came to her death through the reckless driving of her father," on the day of his death sat in judgment of him.

It was said at the inquest in the child's death that Mr. Truitt, who was an electrician for the Pennsylvania R. R., was driving at a high rate of speed. Turning his head to look at another motorist, who was stranded along the road, Mr. Truitt's attention was diverted and he was unable to heed the warning of his wife. The car crashed into the abutment and turned completely over and crashed into a fence on the roadside.

Mr. Truitt had been in a semi-conscious condition ever since the accident occurred. Hospital authorities had hopes of bringing him around, as he responded to treatment, but he succumbed suddenly. Mrs. Truitt has also been unconscious most of the time, but her injuries were not as serious as those of Mr. Truitt.

—Metcalfe Bros., one of Kent County's leading dealers in grain and feed of various kind, have begun the erection of a fine large warehouse on the site of Janes M. E. Church, on Princess street, at the railroad. When completed this building will make a fine warehouse and quite an addition to the commercial life of the community. By means of this building this firm will be able to greatly increase the scope of their business. They now have warehouses at Worton and Kennedyville.
