Mr. W. B. Copper and the Ticket He Represents Expected to Sweep County in the Primary Election.

Reports from all sections of Kent County indicate that Mr. Copper and the ticket he is heading will sweep the county in the primary fight on Monday. Every district in the county appears favorable to the nomination of the ticket. In fact, conditions never looked better in any primary fight in this county during recent years. The ticket Mr. Copper is heading is composed of the following candidates for nomination:

Mr. W. B. Copper, candidate for the Senate, was cashier of the Second National Bank, and later the Third National Bank, from 1890 to 1922. Since January, 1922, he has been President of the bank. For four years he was President of the Kent County School Board. He was Chief Judge of the Orphans Court for four years. He was President of the Maryland Bankers' Association from 1909 to 1910 and was elected a member of the Executive Council of the American Bankers' Association in 1913 for a three-year term. Mr. Copper was candidate in the Democratic state-wide primaries for Comptroller of Maryland in 1915 and, although defeated in the state, he carried Kent County by 291 votes.

Mr. Ellsworth Bowers, of Lynch, a member of the contracting firm of Stavely & Bowers, is candidate for the House of Delegates. He has served two terms in the Maryland Legislature. He is one of the best known men in Kent County, a good business man and has made an able representative. He believes in referring very important issues to the voters on a referendum.

Mr. Herman Jacobs, of Rock Hall, candidate for House of Delegates, is a young man of remarkable energy, a hard worker and a success in his occupation as a waterman. He knows the particular needs of the voters of Kent County.

Mr. Clarence Newsome, of Betterton, candidate for Treasurer, is a business man, known throughout the county and popular wherever he is known. He is making a very active campaign for Treasurer.

Mr. Nicholas V. Walters, of Galena, a member of the present Board of County Commissioners, is a candidate for renomination. He is a farmer, knows the problems which confront the farmer and has acted for the best interests of the taxpayers of the county.

Mr. J. Ernest Willson, of Rock Hall, a farmer, is a representative of the type of young men who are taking an active interest in the affairs of the county.. Being a farmer, he recognizes the needs of the farmer and the taxpayers at the present time. He is a member of that large Willson family which has taken such an active part in the affairs of the Fifth District and of Kent County for a generation.

Mr. George E. Noland, candidate for State Central Committee, represented Kent County in the Legislature several years ago. He is well known throughout Kent County. For many years he was manager for the Tolchester Company at Tolchester. He now conducts a department store in Chestertown and manages his interests at Tolchester. He will be a credit to the Democratic party as a member of the State Central Committee.

Mrs. Ida C. Loller, of Worton, is a member of the present State Central Committee and is a candidate for re-election. She is a lady of wonderful executive ability, a hard worker, and of great value to the Democratic party in Kent county.

Mr. G. Ellsworth Leary, of Rock Hall, is one of Kent County's leading business men. He conducts his large lumber interests in the Fifth District, is well known throughout Kent County and will make an able representative on the State Central Committee.

Mr. Charles L. Gill, candidate for sheriff, has had experience in the sheriff's office, having served as a deputy. Mr. Gill proved to be a very courageous official and well qualified for the office of sheriff.

The present judges of the Orphans' Court, Dr. Edward A. Scott, Mr. Walter K. Hudson and Mr J. Henry Thompson, who have administered their duties in a satisfactory manner, have no opposition in the primary and will be the Democratic candidates.

Mr. S. Scott Beck, State's Attorney for the past four years, who has filled the office in a very able manner, has no opposition in the primary.

Mr. Robert A. Kennedy is a young and prosperous farmer of near Kennedyville and representative of the farming interests of the county. He is a candidate for delegate to the State Convention and should be nominated.

Mr. Samuel S. Hurlock, of Massey, is a young and active business man and a son of Mr. Clarence S. Hurlock, who has figured in Kent County politics for half a century. Mr. Hurlock is a representative Democrat and should be sent as a delegate to the State Convention.

Mr. Joseph Everett, of near Pomona, a successful farmer of the Seventh District, is well and favorably known throughout the county. He is deserving of the support of the Democratic votes in his candidacy for delegate to the State Convention.
