KENT AT STATE FAIR

Boys' And Girls' Club Members Attract Much Attention At Timonmonium Recently

By County Agent Derrick

Boys' and Girls' Club Members from Kent County attracted much attention at the State Fair held at Timonium last week. The Boys' Club Members were represented by a fine exhibt of Purebred calves and pigs and a Dairy Cattle Judging Team of three. The Girls' Club Members were represented by a Cake Demonstration Team of Two. The only other entries from Kent were a fine lot of Durocs by the Creawards Farm of Rock Hall and a fine Holstein Bull Calf by Mr. Edgar Pennington.

SECOND IN JUDGING.

Perhaps the greatest honor won by Kent at the Timonium Fair was by the Boy's Club Dairy Cattle Judging Team, which won second place among all the Counties of the State. Stanley Sutton , Lee Startt and Martin Sutton composed the Kent Co. Team. Harford was first. This is the second year in succession that Kent has been second in the Judging Contest. Harford, the first Team last year, also won first in the United States and in England.

Norman Pennington again won first in the Holstein Calf Class, winning $20. Stanley Suton's fine calf was 3rd, winning $7.00. Martin Sutton also won $5.00 in the Judging Contest.

Franklin Mocett's pigs won 4th, 5th and 7th places, winning $11. and Thomas Mocett's 6th place. winning $3.

Norman Pennington's cow won 6th place in the open class against a very fine close class of 16. Mr. Edgar Pennington's bull calf was 4th in a big ring of very fine Holsteins.

The Creawards Farm Durocs took several places. The competition in this class was the closest ever known at Timonium. The judge was especially fond of the new young sensation herd boar recently added to the herd.

Wins Silver Cup

Wilbur Morris, Jr., the cheerful, ambitious, but modest Kent County Club member, was selected by the three judges as the best pig showman of any club member in all Maryland. Wilbur will be presented with a silver cup as an award.

Camp Vail

County Agent H. B. Derrick has been selected by the State Extension Service to attend Camp Vail, held in connection with the Eastern States Exposition at Springfield, Mass., this year, from Sept. 16 to 22. A Boys' Club Demonstration Team, in the production of clean milk on the farm, has also been selected by the State Agent to attend Camp Vail and give their dairy demonstration. The team is composed of Stanley Sutton and Walter T. Morris, Jr.

Club Calves To National

It is very probable that three of the Kent County Boys' Club calves will be sent to the National Dairy Show at Syracuse, N. Y., this fall. About $45 is needed to assure the calves and boys of this rich experience. Their calves will compete with club calves from the entire United States.

ROCK HALL

A Good Home Ages Gracefully

TO build the kind of house to which passing years add only mellowness and home-like charm—this is a worthy aim for homebuilders. Let your home not be a passing fad of this year or next, but a house your children, and their children, too, can look upon as all a home should be.

To live up to this ideal, your house must be a good one—not necessarily expensive, but soundly built, and in good taste in exterior development and interior finish.

This is the kind of houses we offer you in the Curtis plan service. More than two hundred house plans, of three to eight rooms, in various architectural types, are here for your consideration. All can be built of stock materials, including stock sizes and designs of Curtis doors, windows, stairs, trim and permanent furniture. Our Curtis Catalog pictures these woodwork items just as they will look in your home.

We can obtain for you without charge a portfolio of "Better Built Homes"—homes that will grow old gracefully. Call or write for it.

Chesterfield

CIGARETTES

"Didn't I tell you? It's the best cigarette I ever tasted!"

Taste is a matter of tobacco quality

We state it as our honest belief that the tobaccos used in Chesterfield are of finer quality (and hence of better taste) than in any other cigarette at the price.
