THE THIRD NATIONAL BANK

OF CHESTERTOWN, MD.

The Only National Bank in Kent County

"THE BANK WHERE YOU FEEL AT HOME."

"A Service Station" for All Legitimate Banking Business

Some State Bankers' Associations are distributing an Investor's Question. are with the idea of protecting purchasers of securities from Fake Stock Salesman:-

"Whenever you are solicited to purchase stocks or bonds use this Questionaire before investing any of your funds:

"Give Date, name of Company, name of Salesman, kind of stock or bonds offered, total issue, stock given for property, stock given for good-will, are you taking any Liberty Bonds, if so, at what price, amount of Cash needed, par value of stock or bonds, have they a ready market, if so, where are they listed, are they accepted by Banks as collateral for Loans, if so, what Banks have accepted them to your knowledge, what is (or are) the present net earnings, Bank references, names of officers":

When you have been furnished with the information called for above—bring it to this Bank (or some other representative Bank) and get their opinion of same. If the salesman refuses to answer the above inquiries, have nothing more to do with his proposition, as it is evident that he is fostering a fraudelent promotion. We are always glad to render any assistance possible, either in matters mentioned above or any other financial "deal".

THE Democratic result in this county on Tuesday was not unexpected by those in close touch with the political situation. While there was considerable cutting by some of the voters for various reasons, the result as a whole was a splendid victory. Gov. Ritchie's stand on the temperance question was, probably, more largely accomtably for his being cut than any other season we can assign. It is to be hoped that the large majorities received by the Democrats on Tuesday will not be misinterpreted. The real cause for this unprecedented majority was that the Democrats were united and the Republicans were shot to pieces by dissention in their ranks. Congratulations to the Democrats.
