A UNIQUE RECORD

Home tetsimony for Doan's Kidney Pills, published in every locality, is of itself convincing evidence of merit. Confirmed testimony forms still stronger evidence. Years ago, a citizen of Chestertown gratefully acknowledged the benefit derived from Doan's Kidney Pills. The statement is now confirmed—the proof more convincing. Cases of this kind are plentiful in the work of Doan's Kidney Pills—the record is unique. Ask your neighbor!

Mrs. S. E. Kirby, 101 N. Queen St., Chestertown, says: "Some time ago I used Doan's Kidney Pills, with good results, when I was troubled with a slight disorder of my kidneys and backache." (Statement given August 17, 1916.)

On January 26, 1921, Mrs. Kirby said: "Doan's Kidney Pills cured me of kidney complaint and the cure has been a lasting one. I always recommend Doan's."

TEACHING PATRONISM

Part of the business of The Youth's Companion is cultivating a fine patronism—the love of country; not wrong, but right. The Youth's Companion started the movement for putting the flag on the schoolhouse, it formulated the Pledge of Allegiance to the Flag that is repeated today in practically every schoolhouse in the United States. It has for a long time, now, been running a series of patriotic covers picturing striking events in the nation's history. Painted by the best historical illustrators in the country, they are reproduced in full color at frequent intervals on The Companion's cover. It is worth a year's subscription to The Companion to have these scenes in our building of the nation pictured so graphically. They help greatly in fixing the memory of the events related in the school histories.

The 52 issues of 1924 will be crowded with serial stories, short stories, editorials, poetry, facts and fun. Subscribe now and receive:

1. The Youth's Companion—52 issues in 1924.
2. All the remaining issues of 1923.
3. The Companion Home Calendar for 1924.

All for $2.50.

4. Or include McCall's Magazine, the monthly authority on fashions. Both publications, only $3.00.

DODGE BROTHERS

have not simply brought out a complete new line of motor cars. They have done something infinitely wiser and better than that.

They have brought out New Beauty, New Riding Ease and New Mechanical Perfection to the Product on which their Reputation as Builders has been Founded.

They have built a better and a more desirable line of motor cars—yet basically and fundamentally the identity of their product remains the same.

The same Sturdy Engine is under the hood, the same dependable chassis, improved in numberless details, underlies the body.

But the rear springs--now underslung--have been materially lengthened. The wheelbase, too, is longer, and the combined result is a notable improvement in riding qualities.
