BASE HITS.

Sporting Notes Picked Up on the Road and Diamond.

The Peabody team came over Saturday with their "boy wonder" and gigantic team but met a Waterloo, the score being 21 to 4 in favor of W. C. Davis pitched for the home team and played a remarkable game, striking out 8 men and allowing but 4 hits. The boys increased their batting average the total hits being 23 including a home run by Burris. Deakyne went in to play shortstop but was handicapped by his sore hand, making three errors. Massey made his first error, missing a fly. Boston made the star catch of the game and merited the long applause of the crowd. Zearfoss was the recipient of a lovely bouquet from his lady admirers. The boy wonder Kennedy was retired at the end of the fifth inning, 17 runs having been made. Morissey was put in the box and did well. Barret at catch hurt his hand and retired in favor of Donavan.

The strong Mt. St. Josephs team came to town Wednesday but were defeated in a four inning game by score of 12 to 0. The players tried to avoid playing five innings and stooped to dirty ball playing throwing the ball over the fence, &c.

The Clings went to Tolchester yesterday and played a game with the Centreville team and beat the Queen Anne's sluggers 8 to 4. Hurrah for Chestertown!

A special train will likely be run to Federalsburg to the bicycle races on July 4th and the C. C. C., will turn out in force. The club will be represented by an aggregation of riders that can't help but win. Chapman, Bogle, Thomas, Larrimore, Lucas, Shallcross, Startt, Shuster, Simpers, Ford, Hodgkins and others will see that the orange and blue hold the record.

Mr. Bogle won the road race at Rock Hall last Saturday running the six miles in 21 minutes.

The Madison Wheelmen will hold a race meet at Tolchester on June 18. The program of races is one-mile novice, open, first prize silver medal, gold mounted; one-mile club championship, first prize gold medal; two-mile handicap open, first prize search-light lantern; five-mile handicap, open, first prize set of racing tires; one-mile club handicap, first prize bicycle. There will be second and third prizes given in all these races. The Tolchester Company is taking great interest in this race meet and besides donating a handsome gold medal has had a number of lithograph posters printed and given them to the boys. The company says that the tract at Tolchester will be in perfect condition on the day of the meet.

There will be three boats down that day, the last one leaving at 7 P. M. and tickets will be good on all.

The Y. M. C. A. Browns, of Baltimore, came over by tug Thursday and in an eight inning game were defeated by a score of 33 to 1. Burris pitched three innings, Davis three and Cameron two. The visitors were no match for the home team and were outplayed at every point. The team included Snyder, catch, Billips, Wilson, Eckels, Spurrier, Breed, Cole, Leaken, Hopkins, Mahle, pitch. It was the most uninteresting game yet played on the home grounds.

The Wyanokes will play here today.

Another ten mile handicap road race is being arranged by Mr. R. Snowden Thomas, and it is hoped that some of Rock Hall's best riders will enter the contest, the race being open to any rider in the county. This race will occur on Friday, June 21, the start to be made at 4.30 P. M. sharp. The course will be from Chestertown to Pomona and return by Airy Hill. Entries will close Thursday, 20th. Frank M. Miller, starter; Dr. C. R. Twilley, handicapper; Harry Rickey, C. C. Hopper and Fred. G. Usilton, judges. There will be five prizes awarded. Come up, Rock Hall, and try your strength against the C. Fine Stock.—Lovers of fine stock would be amply repaid if one of these bright June days they should visit the first district and inspect the fine herd of Holstein Cattle belonging to Mr. W. H. Cacy, of Masseys. In the last few years these beautiful black and white cattle, distinguished by their great size and the enormous quantity of milk and butter they produce, have secured a strong foothold in Kent, and especially is this the case in the neighborhood of Masseys. At the head of this herd of Mr. Cacy's is "Kit Smith," No. 17177 H. F. H. J.; Wilmington, Del.; Easton, Md. She has since taken first premium at the Delaware State Fair, and first at the same fair as giving the greatest quantity of milk in seven days. She is a magnificent looking animal and is quite a pet with her owner. Among others in this herd are:

Sassafras Items.

The vegetable market is full to overflowing with all "the green things" of the earth.

Sassafras was booming Wednesday night. The town was alive, shooting fire crackers, and several kinds of music was heard. A great many strangers in town.

There is a great crop of June brides around here.

Colds in the heads are very prevalent and many are suffering therefrom.

Indications are that the wheat crop has been very much injured by the hot wave of some weeks ago, which prevented the grain from filling properly. The farmers are complaining of the rust in the wheat.

Mr. Jacob Shallcross, of near town expects a large peach crop. The trees are full and sticking on well.

Miss Beulah Bernhart, of North Carolina, is visiting her schoolmate, Miss Blanche Wright, of Warwick, Md.

Miss Helen Eaton, of Warwick, visited friends in Sassafras on last Thursday.

Mr. John F. Ernest's two children have been very sick for the past week. We are pleased to state that they are very much improved.

There is to be an entertainment and festival at Masseys on the 20th.

The Sacrament of the Lord's Supper was administered in the M. E. Church on Sabbath last and Mr. Conway preached an eloquent sermon to a very large congregation.

An Ice Cream and Strawberry festival will be held on the church grounds of the M. P. Church here, beginning on the 12th and continuing this week.

Soon be campmeeting time.

For the past two days we have had one continual downpour of rain.

Miss Marie Dubois, of Baltimore, left for her home on Monday after being entertained by Miss Blanche Wright.

Messrs. Charles Griffith and Walter Vansant left on Tuesday on a business trip to Wilmington.

Miss Lydia Echenhofer, of Middletown, is being entertained by Miss Jennie Brice of near Sassafras.

The beautiful magnolia is the flower here of the season and much appreciated by all lovers of the beautiful.

It would be well for one of our young dudes to get a pair of shoes large enough for him and not have to ride such a long distance to his home in his stocking feet.

Mr. Eugene Sorin visited Townsend friends on Wednesday.

Mr. Louis Dreaka has a very ill child. Dr. J. J. Wright is in attendance.

Mrs. George Kennedy, Sr. is very sick.
